Tori Amos's Boys for Pele Amy Gentry,2018-11-01 It's hard to think of a solo female recording artist who has been as revered or as reviled over the course of her career as Tori Amos Amy Gentry argues that these violent aesthetic responses to Amos's performance both positive and negative are organized around disgust the disgust that women are taught to feel not only for their own bodies but for their taste in music Released in 1996 Amos's third album Boys for Pele represents the height of Amos's willingness to explore the ugly qualities that make all of her music even her more conventionally beautiful albums so uncomfortably and so wonderfully strange Using a blend of memoir criticism and aesthetic theory Gentry argues that the aesthetics of disgust are useful for thinking in a broader way about women's experience of all art forms

SHADOWS ARE ASSASSINS Shyamal Bhattacharjee,2023-06-20 This novel SHADOWS ARE ASSASSINS is a psychological journey The more the Novel progresses it becomes from a socio political journey of a man to the discovery of his own psychic reality The first 42 chapters deal with our epistemological limitations as we suffer in our language in our relations and in our day to day political aspects of life But the next 40 chapters actually become a spiritual quest in its own adventure of romance and love It is violent also in the sense of mutilation of every kind of self suppressions to reach out to the reality of our desire for the Other And the remaining 33 chapters actually become a surreal description of transcendence of every border line which human beings fear to cross Indeed if our deeper and therefore unknown desires emerge from within and truly stand before us it becomes exactly perceptible how a mysterious battleground of hate and love love and death seek to destroy us and rebuild us In the novel

SHADOWS ARE ASSASSINS Shyamal Bhattacharjee the author makes his readers witness this perilous journey inside the mysterious battlefield human mind Among the characters presented in the novel some have their desired childhood and adolescence some woman with repressed sexual desire some woman her dead son some man his dead father some persons with their repressed homosexuality some with their homicidal and suicidal tendencies It is a dangerous shadow fight when different shadows of oneself become opponents in different lights It will not be wrong to mention that the the novel is written with a wonderful poetic language from the beginning to the end So far it is one of the 7th unpublished novels written by Shyamal Bhattacharjee The whole novel SHADOWS ARE ASSASSINS is framed with small chapters with a headline that captures the central idea of the next 500 to 600 words Chapters are kept small keeping in view to its poetic and intellectual intensity Each chapter can be regarded
