These are the collected stories of People of the Tribes People of the Nations settlers and those Texians who were defenders at the Alamo They speak of how all paths converge The footsteps of the hesitant meet those of the brave and any day is but a moment when a person is faced with making a stand These stories show what led to the battle of the Alamo and they are written in the manner in which they were told to be read like campfire stories when the shadows of the day blend into the darkness of night It is here where Spirits live and travelers seek their destiny      **The river of life; or, Salvation full and free** George Everard,1881      **Physiology for Boys and Girls** Albert Franklin Blaisdell,1893      **The Child's Book of Health in Easy Lessons for Schools** Albert Franklin Blaisdell,1893      How to keep well Albert Franklin Blaisdell,1893
