Bloomberg Por Bloomberg:

Bloomberg por Bloomberg Michael Bloomberg, Matthew Winkler, 2002-04 Este relato de éxito ofrece una visión íntima a la mente y personalidad que hay detrás del logotipo Bloomberg Describe con detalle su carrera inicial en Wall Street tanto las victorias como las frustraciones incluyendo un recuento personal de lo que se siente al ser despedido y recibir 10 millones de dólares el mismo día Bloomberg's New York Julian Brash, 2011-01-15 New York mayor Michael Bloomberg claims to run the city like a business In Bloomberg's New York Julian Brash applies methods from anthropology geography and other social science disciplines to examine what that means He describes the mayor's attitude toward governance as the Bloomberg Way a philosophy that holds up the mayor as CEO government as a private corporation desirable residents and businesses as customers and clients and the city itself as a product to be branded and marketed as a luxury good Commonly represented as pragmatic and nonideological the Bloomberg Way Brash argues is in fact an ambitious reformulation of neoliberal governance that advances specific class interests He considers the implications of this in a blow by blow account of the debate over the Hudson Yards plan which aimed to transform Manhattan's far west side into the city's next great high end district Bringing this plan to fruition proved surprisingly difficult as activists and entrenched interests pushed back against the Bloomberg administration suggesting that despite Bloomberg's success in redrawing the rules of urban governance older political arrangements and opportunities for social justice remain , *Bloomberg Markets* , 2010
