It's Murder with Dover Joyce Porter,2020-02-20 Detective Chief Inspector Wilfred Dover is the most idle and avaricious hero in all of crime fiction Why should he even be bothered to solve the case This time Scotland Yard sends Detective Chief Inspector Dover and his woeful assistant MacGregor off on the Stately Home circuit to look into murder Since Lord Crouch master of Beltour can hardly make ends meet despite the hordes of tourists visiting the manor his hospitality is meagre though his vegetarian sister Lady Priscilla would love to cook for Dover And the victim couldn t be a drearier sort the wettest thing since nappies according to Dover In short the inspector can t wait to be quit of the whole thing and chief suspects begin to pop up everywhere *Dover* Joyce Porter,2020-06-11

Detective Chief Inspector Wilfred Dover is the most idle and avaricious hero in all of crime fiction. Honestly, why should he even be bothered to solve the case? Collected here are eleven unforgettable short stories in the Dover series from the 1969 story *Dover Pulls a Rabbit to A Souvenir for Dover* *Mystery Women, Volume Three (Revised)* Colleen Barnett, 2010-12-31. Like other fictional characters, female sleuths may live in the past or the future. They may represent current times with some level of reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting, however, to compare the fictional world of the mystery sleuth with the world in which readers live. Of course, mystery readers do not share one simplistic world. They live in urban, suburban, and rural areas, as do the female heroines in the books they read. They may choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor, young or old, conservative or liberal. So are the heroines. What incredible choices there are today in mystery series. This three-volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu, the descriptions of the items that are provided are subjective. Volume 3 of *Mystery Women*, as currently updated, adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3. These are more recently discovered sleuths who were introduced during the period from January 1, 1990, to December 31, 1999. This more than doubles the number of sleuths introduced in the 1980s, 298 of whom were covered in Volume 2, and easily exceeded the 347 series and some outstanding individuals described in Volume 1, which covered a 130-year period from 1860-1979. It also includes updates on those individuals covered in the first edition, changes in status, short reviews of books published since the first edition through December 31, 2008.

Yankee Doodle Dead Carolyn Hart, 2009-10-13. In this charming cozy mystery, a South Carolina island bookstore owner investigates when the local July 4th celebration is halted by murder. Master mystery spinner Carolyn Hart gives us the tenth high-spirited entry in her Agatha Anthony and Macavity Award-winning *Death on Demand* series. The most delectable sleuthing couple since Nick and Nora, Annie and Max Darling, manage to find quite a bit of murder in their allegedly safe and serene South Carolina island resort town. After all, murder is Annie's business, well sort of. She's the proprietor of the popular *Death on Demand* mystery bookstore and cafe, and her establishment seems to attract trouble like Annie's pesky felines. Dorothy L. and Agatha attract hairballs. Now Annie and Max watch their Fourth of July holiday explode, not only with fun and fireworks but with murder as well. The library board wants to declare its independence from new member, retired Brigadier General Charlton Bud Hatch, a man accustomed to being in charge. Hatch's takeover attitude has alienated everyone in town, especially the women. But Annie finds it difficult to ignore him at a crowded patriotic festival, particularly when he's shot dead before her eyes. Praise for *Yankee Doodle Dead*: Rich in Southern atmosphere, lots of live oak, Spanish moss, and the ever-present smell of the salt marsh, populated by a diverse and engaging cast, including the fallible, endearing leads, and following a deftly constructed plot line, this tale is charming and gripping. *Publishers Weekly*.
