*Crossing the Line* Alvin B. Kernan, 2007-06-12 In this memoir of life aboard aircraft carriers during World War II Alvin Kernan combines vivid recollections of his experience as a young enlisted sailor with a rich historical account of the Pacific war Kernan served in many battles and was aboard the Hornet when it was sunk by torpedoes in the Battle of the Santa Cruz Islands One of the most arresting naval autobiographies yet published Sir John Keegan An honest story of collective courage evocative well written and fixed before the colors fade Kirkus Reviews Kernan recounts a wonderful and exciting American story about a poor farm boy from Wyoming who enlisted in the Navy He has written eight other books I will go back and read them all John Lehman Air that is what it was like on the Hornet in its last hours Samuel Hynes New York Times Book Review

**Crossing the Line** Alvin B. Kernan, 1994 Kernan Andrew W Mellon Foundation relates his experiences in the US Navy during WWII He fought in the battles of Midway and Okinawa survived the sinking of the carrier USS Hornet at Guadalcanal in 1942 and was involved as an aerial gunner in the first night fighter action off carriers in 1943 Includes numerous bandw photos Annotation copyright by Book News Inc Portland OR Bluejacket Odyssey William L. McGee, 2000 Award winning author William L McGee recounts his service in the Pacific theater in World War II as a Gunner s Mate in the U S Navy Armed Guard the branch of the U S Navy that protected merchant ships and their valuable cargo and crews from enemy attacks McGee draws on his journals interviews with former shipmates and research from the National Archives to produce an engrossing story that includes the author s participation at Operation Crossroads the first postwar atomic bomb tests at Bikini in 1946 Little has been written about service in the Naval Armed Guard in which nearly 145 000 men served McGee remedies this with a book that has value for historians Naval History Magazine Bluejacket Odyssey William L. McGee, 1997 The Ship That Never Was B.J. BRYAN, 2011-03-19 The United States Merchant Marine provided the greatest sealift in history between the production army at home and the fighting forces scattered around the globe in World War II The prewar total of 55 000 experienced mariners was increased to over 215 000 through U S Maritime Service training programs Merchant ships faced danger from submarines mines armed raiders and destroyers aircraft kamikaze and the element About 8 300 mariners were killed at sea 12 000 wounded of whom at least 1 100 died from their wounds and 663 men and women were taken prisoner Some were blown to death some incinerated some drowned some froze and some starved Many died in prison camps or aboard Japanese ships while being transported to other camps 31 ships vanished without a trace to a watery grave Total killed estimated 9 300 **Enterprise** Barrett Tillman, 2013-02-12 Offering a naval history of the entire Pacific Theater in World War II through the lens of its most famous ship this is the epic and heroic story of the aircraft carrier USS Enterprise and of the men who fought and died on her from Pearl Harbor to the end of the conflict

Looking for the Good War Elizabeth D. Samet, 2021-11-30 A remarkable book from its title and subtitle to its last words A stirring indictment of American sentimentality about war Robert G Kaiser The Washington Post In Looking for the Good War

Elizabeth D Samet reexamines the literature art and culture that emerged after World War II bringing her expertise as a professor of English at West Point to bear on the complexity of the postwar period in national life She exposes the confusion about American identity that was expressed during and immediately after the war and the deep national ambivalence toward war violence and veterans all of which were suppressed in subsequent decades by a dangerously sentimental attitude toward the United States exceptional history and destiny Samet finds the war s ambivalent legacy in some of its most heavily mythologized figures the war correspondent epitomized by Ernie Pyle the character of the erstwhile G I turned either cop or criminal in the pulp fiction and feature films of the late 1940s the disaffected Civil War veteran who looms so large on the screen in the Cold War Western and the resurgent military hero of the post Vietnam period Taken together these figures reveal key elements of postwar attitudes toward violence liberty and nation attitudes that have shaped domestic and foreign policy and that respond in various ways to various assumptions about national identity and purpose established or affirmed by World War II As the United States reassesses its roles in Afghanistan and the Middle East the time has come to rethink our national mythology the way that World War II shaped our sense of national destiny our beliefs about the use of American military force throughout the world and our inability to accept the realities of the twenty first century s decades of devastating conflict

### **Bluejacket Odybey Introduction**

In today's digital age, the availability of Bluejacket Odybey books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Bluejacket Odybey books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Bluejacket Odybey books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Bluejacket Odybey versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Bluejacket Odybey books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Bluejacket Odybey books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Bluejacket Odybey books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Bluejacket Odybey books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Bluejacket Odybey books and manuals for download and embark on your journey of knowledge?
