road 1 Oh yes he stopped at St Ouen in order to take leave of his daughter the Baroness de Stabl Did Madame de Stael go with him 1 I was told that he and his wife alone set out for Brussels Coachman cried Gilbert stop at the first tailor s shop you see You wish to change your coat said Billot Yes In good sooth this one smells too much of its contact with the walls of the Bastille and a man cannot in such a dress discreetly pay a visit to the daughter of an ex minister in disgrace Search your pockets and see if you cannot find a few louis for me Ho ho cried the farmer **Ange Pitou, Vol. 1** Alexandre Dumas,1906

rigid At the same time however singing practices were invented which formed the foundation for new activist singing practices in the next century The legacy of the Revolution according to Mason was to bestow new respectability on popular singing reshaping it from an essentially conservative means of complaint to an instrument of social and political resistance
