Angel Landing:

Law at Angel's Landing Wayne D. Overholser, 2014-10-07 A gold rush threatens to break the peace of a quiet Colorado town Angel s Landing was the mining town that grew up around a gold strike in the hills of Colorado But the boom was long ago and now the town is a whisper of what it once was Mark Girard was a young boy when he witnessed firsthand what happened to a town when all of its residents vanished It was a simple quiet life that Mark had chosen to lead and he and his closest friends much preferred it to the wild boom times When the job as sheriff for Bremer County opened Mark ran for the office and won It was a relatively easy job until news broke that there was a new gold strike on Banjo Creek It quickly became clear that the boom days were about to return and with them the wild lawlessness that accompanies a gold rush Will Mark have the courage and the wits to keep Angel s Landing from descending into chaos With Law at Angel s Landing acclaimed Western author Wayne Overholser paints a vivid picture of untamed life in the American frontier Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West Westerns books about outlaws sheriffs chiefs and warriors cowboys and Indians are a genre in which we publish regularly Our list includes international bestselling authors like Zane Gray and Louis L Amour and many more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Angel Landing** Alice

Hoffman, 2014-09-23 A good old fashioned love story Alice Hoffman s writing at its precise and heartbreaking best The Washington Post Things have changed in Fisher s Cove the Long Island harbor town where Natalie spent her summers as a girl The water used to be clean and from her aunt Minnie s boarding house you could see all the way to Connecticut even on hazy days Twenty years ago Minnie never had a problem finding lodgers but now everyone wants to be in Montauk or the Hamptons The biggest change of all though is the nuclear power plant under construction on Angel Landing Natalie s boyfriend Carter is leading a protest against the plant and despite the fact that he is more devoted to his environmental work than he is to her she has followed him to Fisher s Cove During the days she works as a therapist at a local counseling center in the evenings she ignores her aunt s disapproval as she waits for Carter to call But after an explosion lights up the night sky above Angel Landing Natalie s world is turned upside down Into her office walks a man with an incredible confession to make and the more she listens the more Natalie begins to question the direction of her own life The conclusions she draws about passion commitment and what her heart truly wants will lead her to a love she never imagined possible Told with grace charm and wit Angel Landing is a captivating romance and one of Alice Hoffman s most delightful novels **Discovering**
