Angel Of Fury:

Angel's Fury Tamara Whitlow,2021-06-27 Humans How could God ever create something so weak Angels were here first and they ve always had Gods love so to share this love with a creation is baffling to the angels That is until it was known that one of their own has had a child with a human and this child would bring unlimited power to whomever she gives herself to Now one Angel will stop at nothing to retrieve this power even disobey God to get it Will this human Angel be able to keep the ones that she loves safe from this evil that s been brought to earth *Angel Fury* Ella Summers,2020-02-06 Cadence Lightbringer daughter of a legendary archangel has always known her gods endowed magic comes with a price As an angel in the Legion of Angels she lives where the Legion commands her to live trains how the Legion tells her to train and marries whom the Legion instructs her to marry Somehow it all sounded simpler in her head When Cadence is ordered to marry the enigmatic angel Daniel Dragonsire a man she hardly knows her whole perfect predictable life is turned upside down The wedding however is cut short by a dark threat that throws Cadence and Daniel into a world of magic as ancient and deadly as the original Immortals powerful deities who once ruled the entire known universe *Angel Fury* is the second book in the Immortal Legacy series *Tangled* J.E. Taylor,2018-05-15 How dark is obsession Imprisoned in a tower from the time she was old enough to walk Danae longs to experience more than just what is within her ornate cage But her mother insists the world is just too dangerous for a precious light bringer When Danae encounters a disgraced dark bringer their combined power lights a fire within her soul illuminating the tangled web of lies her captor has spun Danae learns that while her magic can renew hearts and heal wounds it cannot erase the ultimate betrayal **Messiah** J.E. Taylor,2018-05-30 An Ancient Prophecy A forbidden love Now there s nowhere to run Andr s abilities have always marked him as special but fulfilling an ancient prophecy is enough to have him ostracized into the cosmos Love was his motivation for preventing his parent s execution now in Earth s refuge love is his undoing again The Commander s daughter is off limits but this kind of love is destiny forcing Katrina and her alien paramour to elope Word of Andr s survival reaches his home planet when his image is broadcast across the universe This time his very existence may well trigger the destruction of a planet his haven Earth

Hunting the Siren J.E. Taylor,2018-05-29 In the aftermath of the massacre in Las Vegas Kylee Paradox has no choice but to run Her siren caused innocent lives to be lost and now Fate is bound to carry out Kylee s punishment for breaking her contract If Fate catches her before she can find a loop hole Kylee will be on a one way train to a tortured eternity in the fiery pits of hell *The Ryan Chronicles* J.E. Taylor,2018-05-29 THE RYAN CHRONICLES Tom and CJ Ryan harbor the power of the Gods Refusing to stand with Lucifer puts both of them and everyone they love on the devil s hit list The series includes these single titles CJ s Story ANGEL GRACE Book 1 ANGEL HEART Book 2 ANGEL WRATH Book 3 Tom s Story ANGEL BLOOD Book 4 ANGEL FIRE Book 5 ANGEL FURY Book 6 ANGEL GRACE When the devil ripped my angelic father s head off that was just the start of my bad day Walking in on my girlfriend screwing someone else made it officially the worst day of my

life And left one hell of a scar on my already damaged soul But it keeps getting worse You see Lucifer wants my meatsuit He wants my natural powers He wants Armageddon And he wants it now But in order to get that I have to say yes And the devil throws a lot of nasty tricks my way to get me to yield But I can't give in even if it means watching everyone I love die If I cave the entire world will burn ANGEL HEART I have no memory of my life beyond waking in a hospital room They tell me my name is CJ Ryan and I have been in a coma for a little over two years Apparently it's a medical miracle that I am even alive much less awake and coherent I have no idea what they are running on about My stutter is hardly articulate and it makes communicating a real bitch But the media loves it the story of the coma boy wakes I'm thrust into the forefront of the headlines The push into the spotlight shines a harsh glare on my family and brings with it a plague of horrors that drag me to the edge With each supernatural encounter another power is revealed and I have no idea what the hell I am or how to control this raging magic inside me I need answers and I turn to my brother but he isn't talking No one is Because every time I get close to glimpsing my past my brain shuts down violently causing me seizures Seizures that could kill me When an enemy with a psychotic history reenters our lives it will take more than just my memory to save us I must harness my memories along with all the powers inside me to survive the upcoming onslaught ANGEL WRATH On the outside it looks like my life has returned to normal I have Valerie my soul mate by my side in wedded bliss But darkness overshadows my happily ever after My guilt for sending my father to an eternity of torture at Lucifer's hands is a pain I cannot escape When Valerie and I return from our honeymoon a note from the king of hell greets me outlining in sickening detail his plans for the rest of those I hold dear With everyone I love on the devil's hit list it's time I start living up to the bargains I made in Heaven I need to close Hell's gates All of them But for every portal I close its one less available for my father's escape ANGEL BLOOD Someone is murdering people draining them dry and the police suspect it may be a vampire When the captain of the York police department turns to Tom Ryan and his paranormal investigation agency for help Tom takes one look at the crime scene photos and knows the killer isn't a blood sucker Tom and his business partner compare the murders with a list of angel descendants and a chilling pattern is confirmed Angel bloodlines are being extinguished and there are only a handful left between the killer's hunting ground and their family in York They must stop the assassin before he can cross off any more names on his hit list ANGEL FIRE In the aftermath of his wife's death Tom Ryan cannot breathe when his three year old daughter Hannah is out of his sight His over protectiveness falls into the realm of paranoia born from the fear that Lucifer is not done with him yet When that same apprehension manifests in his daughter he realizes he needs to deal with his issues before his terror poisons Hannah's innocence Just when he manages to get a grip on his separation anxiety his worst nightmare comes to fruition Desperate to save Hannah from the devil's grip Tom will do just about anything to get her back even if it means the ultimate act of betrayal ANGEL FURY Duty is a double edged sword It means putting yourself last ripping you away from everyone you love while you complete an unreasonable quest just to keep them safe Tom Ryan left

York He left everything he loves to safeguard the last angel descendants Now he s back still damned still persecuted
Prophecy says York will burn and everyone left who matters to Tom is in York With no time to catch up and reconnect Tom is
thrust into a battle he s destined to lose There are only so many ways you can break a man before his wrath changes the
status quo Rekindled by family by love by home and memories the ruthless son of Ty Ryan steps into the shoes left under the
family tree by his dad and this time he s out of mercy **Knocking on Heaven's Door** William F. Houle,J.E.

with a tear between his world and Purgatory Leviathan and a dozen demons are running amok in central Florida and Nick
must herd them back into the underworld before Heaven opens its gates and sends down a pack of angry angels to clean up
the mess *Night Hawk* J.E. Taylor,2017-05-30 Selling your soul has never been so charming and Mark throws in a little

something to sweeten the pot his girlfriend Naomi Sentenced to death at the hands of a demon Naomi Hawk has a firsthand
lesson in despair and betrayal in Mark s deal for fame with all the trimmings Deep in the clutches of the underground
brotherhood Naomi s light is coveted for the Master s gain When she slips and falls eighty stories from a precarious ledge
Naomi resigns herself to the inevitable impact and death by shattered bones Before she can escape her demons in eternal
slumber something sinister plucks her from the plummet stealing her out of the night to sacrifice her forever to the shadows
Imprisoned in bottomless darkness Naomi thirsts for justice and revenge Highway to Hell William F. Houle,J.E.

Taylor,2017-06-25 Nick Ramsay thinks there s nothing worse than starting high school in a new town especially in the

school High school becomes a daily nightmare when her tormentors wage psychological warfare starting with a physical
attack in the hallway meant to terrorize With only a three day suspension as punishment and the threat of expulsion for any
further physical attacks the bitch squad change tactics relentlessly lobbing verbal hand grenades at every opportunity Words
