Fiela's Child Dalene Matthee, 2011-12-15 Set in nineteenth century rural Africa Fiela's Child tells the gripping story of Fiela Komoetie and a white three year old child Benjamin whom she finds crying on her doorstep For nine years Fiela raises Benjamin as one of her own children But when census takers discover Benjamin they send him to an illiterate white family of woodcutters who claim him as their son What follows is Benjamin's search for his identity and the fundamental changes affecting the white and black families who claim him Everything a novel can be convincing thought provoking upsetting unforgettable and timeless Grace Ingoldby New Statesman *Fiela's Child* is a parade that broadens and humanizes our understanding of the conflicts still affecting South Africa today Francis Levy New York Times Book Review A powerful creation of time and place with dark threads of destiny and oppression and its roots in the almost Biblical soil of a storyteller's art Christopher Wordsworth The Guardian The characters in the novel live and breathe and the landscape is so brightly painted that the trees birds elephants and rivers of old South Africa are characters themselves A book not to miss Kirkus Reviews *Acts of Theft* Arthur A. Cohen, 1988-01-26 An astonishing soaring and searing novel that means no less than to explain human culture A detective story with a real detective and a real thief and yet all the while it is the mind that is being plundered of its own fringes Cynthia Ozick *Acts of Theft* ranges from the lost world of the Austrian aristocracy to a thick walled hacienda in the jungles of Mexico in the 1950s Cohen has resurrected the special man the one for whom experience is a search an intellectual problem the man who deceives himself grandly and discovers the fact when it may be too late Cohen's writing is as beautiful and complicated as it is possible for writing to be Rarely these days do novelists risk so much so successfully K Deborah Taub Baltimore Sun One of the rare novels that one can begin to reread as soon as the last page is finished By unfolding the drama of an artist obsessed by the authenticity and perfection of his work Arthur A Cohen recalls to us in fact the destiny of all human existence *Acts of Theft* ranks with the best novels of the post war period Mircea Eliade *Acts of Theft* is a very elaborate story of cops and robbers but it aspires to much more and its aspirations are largely fulfilled The parallels that spring to mind are *Crime and Punishment* and *Les Misérables* Joseph McLellan Washington Post **A**

A Hero in His Time Arthur A. Cohen, 1988 All his life Yuri Maximovich Isakovsky a minor Russian poet editor of a journal of folk music sometime English translator has assiduously avoided power and politics in fact attention of any kind How can it be then that the Soviet government has chosen him to attend a conference in the fabled land of bourgeois temptation itself New York City And not only that but to do a piece of work for the KGB to deliver a code message embedded in the text of a certain poem to be read in public along with his own Cohen has achieved here a tour de force bringing the idea of poetry to life in a messy little man no hero at all not even that much of a poet The novel is stately as well as funny an authentically noble account of a celebrant It is the true article Geoffrey Wolff New York Times Book Review Arthur Cohen catches fire A Hero in His Time represents for him a great imaginative leap for we are shown the interior mental landscape of a middle aged Russian Jewish minor poet and most astonishing is that we believe without question in this poet Doris Grumbach Village Voice A tremendous achievement To have made this tremendous imaginative leap from the heart of American Jewishness to the heart of Russian Jewishness was a daring thing to do and it has been accomplished with absolute conviction The Sunday Times London A rich compound of high seriousness and robust comedy Newsweek

The Painted Canoe Anthony Winkler, 1989-02-15 You learn dat dis world don't love negar And negar don't make for dis world Zachariah's mother warned him when he was still a boy Yet poor and abominably ugly the Jamaican fisherman grasps lovingly for life though the worst forces of nature conspire against him Washed far out to sea in the night Zachariah is attacked by a hammerhead shark scorched by the Caribbean sun hurled about by the sea which both frightens and entices him and confused by his own encroaching madness In a rare weave

of humor and sadness Zachariah forces himself to reflect on his life and the strangeness of chance on anything but his place as a small man in a fragile boat in the boundless sea Still on land are the villagers the woman and the sons who comprise life for Zachariah While he struggles with the forces of nature the natural faith of the villagers encounters the incapacity for belief of the troubled English doctor As the superstitions and certainties of Jamaican life and the consequences of science meet Winkler reveals a rich understanding of the precarious balance between thought and reality between the coincidental and the miraculous This is one of those rare novels that announces its presence with such modest grace that the size of its ambition and accomplishments steals gently into the consciousness Michael Thelwell Washington Post Book World Mr Winkler deftly unfurls his exquisitely written story which is redolent of the colorful patois and chaotic flavor of rural Jamaican culture Bob Allen Baltimore Sun

Concluding Henry Green, 1985 Concluding is probably the most lyrical novel by a writer whom Rebecca West has called the most original of his time Within the compass of a summer's day for all time yet intensely and closely centered upon a particular time and place we are made aware of man's predicament in a world of transcendent sadness and beauty Horizon A novel of projections protractions long shots and shadows flying ahead a slow fall The sinister world of Concluding is beautiful side lit and colored like an undersea kingdom from the Foreword by Eudora Welty

Convergence Jack Fuller, 1991-02-19 Three powerful minds converge first in Tokyo in 1971 and again in Washington D C seven years later CIA agent Richard Harper his protege Jerry Birch and a Soviet agent are pitted against each other in a battle of intelligence intuition and will
