McLaglen* Stephen B. Armstrong, 2011-09-07 Here is a comprehensive survey of the film and television career of London born director Andrew V McLaglen An opening biography considers the events and circumstances that contributed to his development as a filmmaker including his relationships with his actor father Victor McLaglen fellow director John Ford and motion picture icon John Wayne who collaborated with Andrew McLaglen on such films as McLintock 1963 Hellfighters 1968 The Undefeated 1969 and Chisum 1970 An extensive annotated filmography covers every theatrical feature film McLaglen directed as well as his television productions and the films he worked on prior to becoming a director Appendices provide information on the numerous documentaries in which McLaglen has appeared and a list of stage plays he has directed since his retirement from motion pictures in 1989 Angel and the Badman: John Wayne Gail Russell Angel and the badman, Angel and The Badman, **Beyond the Stars: Themes and ideologies in American popular film** Paul Loukides, Linda K. A. Rewis, 2020-09-02 Book Delisted **Duke** Ronald L. Davis, 2012-09-06 Almost two decades after his death John Wayne is still America s favorite movie star More than an actor Wayne is a cultural icon whose stature seems to grow with the passage of time In this illuminating biography Ronald L Davis focuses on Wayne s human side portraying a complex personality defined by frailty and insecurity as well as by courage and strength Davis traces Wayne s story from its beginnings in Winterset Iowa to his death in 1979 This is not a story of instant fame only after a decade in budget westerns did Wayne receive serious consideration for his performance in John Ford s

1939 film Stagecoach From that point on his skills and popularity grew as he appeared in such classics as Fort Apache Red River She Wore a Yellow Ribbon The Quiet Man The Searches The Man who Shot Liberty Valance and True Grit A man s ideal more than a woman s Wayne earned his popularity without becoming either a great actor or a sex symbol In all his films whatever the character John Wayne portrayed John Wayne a persona he created for himself the tough gritty loner whose mission was to uphold the frontier s and the nation s traditional values To depict the different facets of Wayne s life and career Davis draws on a range of primary and secondary sources most notably exclusive interviews with the people who knew Wayne well including the actor s costar Maureen O Hara and his widow Pilar Wayne The result is a well balanced highly engaging portrait of a man whose private identity was eventually overshadowed by his screen persona until he came to represent America itself *The Bad Man* Charles Hanson Towne,1921 *The A to Z of Westerns in Cinema* Paul Varner,2009-09-28 When the earliest filmgoers watched The Great Train Robbery in 1903 many of them shrieked in terror at the very last clip when one of the outlaws turns directly toward the camera and fires a gun seemingly directly at the audience The puff of smoke was sudden and it was hand colored so that it looked real Today we can look back at that primitive movie and see all the elements of what would evolve into the Western genre Perhaps it is the Western s early origins The Great Train Robbery was the first narrative commercial movie or its formulaic yet entertaining structure that has made the Western so popular Whatever the case may be with the recent success of films like 3 10 to Yuma and The Assassination of Jesse James by the Coward Robert Ford the Western appears to be in no danger of disappearing The story of the western is told in The A to Z of Westerns in Cinema through a chronology a bibliography and an introductory essay However it is the hundreds of cross referenced dictionary entries on cinematographers composers producers films like Butch Cassidy and the Sundance Kid Dances With Wolves The Good The Bad and the Ugly High Noon The Magnificent Seven The Searchers Tombstone and Unforgiven such actors as Gene Autry Kirk Douglas Clint Eastwood Henry Fonda James Stewart and John Wayne and directors like John Ford and Sergio Leone that will have you reaching for this book again and again *Angel and the Badman* Leisure Entertainment Video, Angel and the Badman features John Wayne is one of his best roles as a notorious gunfighter searching for his father s killer When he is wounded in a shootout a pacifist family takes him in and nurses him back to health While in their care he falls in love with the daughter who begs him to change his ways and stay with her Wayne is in love and willing to give up the way of the gun for her but not until he avenges his father s death He rides off to find the killer and settle the score but will he survive to make it back to the woman he loves **T. De Witt Talmage** Louis Albert Banks,1902 "A" *Western Filmmakers* Henryk Hoffmann,2024-10-16 From High Noon to Unforgiven the A Western represents the pinnacle of Western filmmaking More intellectual ambitious and time consuming than the readily produced B or serial Westerns these films rely on hundreds of talented artists This comprehensive reference work provides biographies and Western filmographies for nearly 1 000 men and women who have contributed to at least three A Westerns These

contributors are arranged by their role in film production Cinematographers composers actors actresses and directors receive complete biographical treatment writers whose work was used in at least two Westerns are also featured An appendix lists well known actors who have appeared in either one or two A Westerns as specified **The Herald of Mercy**, 1884 [Doug Pratt's DVD](#) Douglas Pratt, 2004-10 The ultimate guide to DVD by the world's leading authority on the medium **The Christian treasury (and missionary review)**, 1874 **King Alfred's books** Alfred (King of England), George Forrest Browne, 1920 **Cue**, 1966 *John Wayne's Way* Douglas Brode, 2014-10-07 As John Wayne's character said in *The Alamo* There's right and there's wrong You got to do one or the other The ultimate measure of a man is how he chooses to act From the pithy to the humorous to the profound the film career of the man known as The Duke is full of life lessons for today In *John Wayne's Way* author Doug Brode explores the film legacy of the Duke and provides commentary on the lessons learned from the archetypes of the West and American manhood Wayne displayed on the silver screen Complete with quotes and photographs from the movies these pithy lessons will be appealing to John Wayne fans and Western film buffs
