Peter Hendriks Okello,2018-08-08 This book explains differences between the content of the Bible and the Qur an and between the God of the Bible and Allah of the Quran The resulting identity of Allah serves as a wake up call for many Christians especially for those who think that the

God of the Bible and Islam's Allah are identical. Despite growing militant Muslim behavior throughout the world especially against Christians and Jews many Christian leaders in churches and politics seem to be ignorant of the growing threat of Islam to their communities. Many examples of explicit Muslim's inhuman behavior substantiate the global Muslim threat to completely destroy Jewish and Christian communities throughout the world. This book helps readers understand that there is a significant and most strenuous spiritual battle going on in the heavenly spheres between demons, fallen angels, and angels as ministers of God. This spiritual battle is reflected in the hearts and minds of men and women today. This book suggests how Christians need to be united in a biblical response to the growing threat of militant Islam to bring the entire world under the rule of Sharia law and worship of Islam's Allah.

An Angel Remembered Rosemary G. Ryan, 2017-06-21. God decrees a special child will be born and carefully chooses the parents who will give her life. Since the moment of conception Lenora is a child of God and will share a unique personal relationship with the Almighty. She fulfills God's plan as an angel on earth starting from an early age. When her three-year-old brother has a horrific accident she asks God if He can send an angel. The Lord dispatches the Angel Gabriel who is quite humorous in addition to being strikingly handsome. Throughout the story he will pop in and vanish at will. **An Angel Remembered** is based on a true story. The author uses her own vivid imagination throughout the book but numerous events happened as written. Allow yourselves to fall in love with a cast of memorable characters as you travel with them from World War II into the year 2000. Remember with God all things are possible.

Memories of an Angel Matthew Lubien-Vidal, 2005-08-23. When I first met the Matt hew many years ago he was working along side with other mediums doing rescue work for lost souls. Matthew read some chapters to me the way he explained all what he saw, felt, and heard was amazing. He shown true genuine emotions from a genuine man. From the fall of hell to the returning of the throne of the earth back to the divine spirit was for me a comfort. **Memories of an angel** showed that angels too have lives and feelings of their own and when he speaks of angels being in slavery and tortured I know the war in spirit world has ended and now the fight for humans begins.

Stories of Glory Jackie Towns, 2021-01-11. **Stories of Glory: An Orality Journey Through the Bible** is the instructor's manual for the Metanarrative Bible course of God's grand redemptive story. It is comprised of fifty compelling stories from Genesis through Revelation with supporting biblical passages to expound on the storyline. The book is complete with initial questions for each story and then detailed reflective and life application questions to enrich class discussions after the story presentation. The crafting of the book was designed to provide practical training for the pastors, church leaders, or church planters in apologetics, homiletics, theology, and leadership with orality methods of teaching and preaching the Word of God. It is my prayer that after a person completes the **Stories of Glory: An Orality Journey Through the Bible** course they will acquire an increased knowledge and understanding of the biblical metanarrative, God's covenantal love, His faithful commitment to the redemption of His people, and His longing for an authentic relationship with each one of us. I also hope that they will gain greater confidence to embrace their significance in

God's grand story with the ability to think through life situations from a biblical worldview and apply the beauty of God's unconditional love to their lives To God be the glory Amen May the grace of the Lord Jesus Christ and the love of God and the fellowship of the Holy Spirit be with you all 2 Cor 13:14 NIV

Angels Through the Ages James Platts, 2001-08 The only author already in print discussing the history of higher angels appears to be Mother Alexandra an Orthodox nun who wrote *The Holy Angels* This presentation also concentrates on those higher angels but also briefly reviews those lower less dramatic guardian angels After studying angel apparitions in the Old Testament the Christian era presents a dramatic increase in angel activities Joining the older traditional Michael and Gabriel we are introduced at the Transfiguration to Moses and Elijah those two giants of Judaism These latter have somewhere in time become new archangels On that Mount Tabor Jesus also acquires archangel status when the mighty spirit of David the third giant completes exactly one thousand years of penance and is transfigured into this carpenter from Nazareth Mary the Mother of Angels in the Roman Catholic tradition receives archangel status upon her death Also emerging in that first Christian century is Satan the Fallen Archangel A serious consideration of Satan is vital because each one of us must overcome Satan's earthly temptations in order to reach the Promised Land Thereafter Mary and Jesus appear in angel form over the Christian centuries sometimes together more often alone in their attempt to bring peace to a troubled world

[The True History of Elijah Muhammad, Messenger of Allah](#) Elijah Muhammad, 1997 Messenger Elijah Muhammad was considered by the national as well as the international press as one of the most inaccessible men in America if the press white or Negro wanted to see Elijah Muhammad they had to come to him a degree of significance earned by Messenger Muhammad and commanded by integrity In an effort to ensure the clarity and sanctity of his message and history this book draws from his own words to explain and elaborate on sensitive subjects like his mission domestic life family and his relationship with his teacher Master Fard Muhammad It also delves into his relationship to other prophets the paralleled work accomplished to substantiate his fulfilment and important unpublished writings from his desk surrounding controversial matters perpetuated in today's public media
