## Angel In The Road:

**An Angel's Way** Barbara Ann O'Keefe,2013-02-15 An Angels Way although fiction contains real Scriptures ready to fill your heart as you find your way to healing in this tragic world in which we live In the story we follow the life path of two people We begin with an angel born human and then as she gets older she meets a man a medical doctor and they fall in love Tragedy strikes and he loses her The world was near the end with thousands of people injured in terrorist attacks new diseases new resistances to drugs and then the children began to die Although he was full of grief he pressed forward searching in desperation for cures He was about to lose all hope when she re entered his life Unknown to the man God had sent his angel to Earth to teach healing in biblical ways as the revelations of end times were at hand Earthquakes and storms were everywhere but he continued his work until he was finally able to heal the children The world going crazy thousands dying and one man had the answer to true divine healing How far would he be willing to go in order to heal the sick Why do we suffer as Christians How much is it worth to be able to serve God With the ultimate price comes the greatest blessing Breathe in the healing No matter the danger all around We still have instilled in us the God given desire to heal the sick

Rose,2012-09-21 Before the tragedy of the Civil War tore the United States in two America was involved in another war one that has not received nearly the attention it deserves In fact the Mexican American War 1846-1848 could arguably be called the training ground for the Civil War a little over a decade later Author Phillip F Rose turns the spotlight on this important historical event in American history in Mexico Redux Rose digs into the heart of this conflict and calls it the most significant war in American history Through an eclectic mix of fact and fiction he profiles some of the wars major and minor players offering new ideas and concepts that challenge the current historical record Through the eyes of historical figures the Mexican American war comes to life Santa Anna describes his tumultuous experiences at the Alamo and the Battle of Buena Vista while General Zachary Taylor discusses the Battle of Resaca de la Palma in chilling detail Lesser known individuals such as naval officer Robert Field Stockton and ordinary soldier Lew Wallace also lend their voices to this historic drama Inventive and thoroughly researched Mexico Redux provides an important addition to our understanding of the Mexican American War
