

DOREEN VIRTUE
and The Angelic Realm

The book cover features a central illustration of a woman with dark hair, wearing a white, flowing dress, standing in a classical setting. She is flanked by two cherubs (putti) with large, feathered wings. One cherub is on the left, looking towards the woman, while the other is on the right, looking towards the viewer. The woman has a serene expression and is holding a small red object, possibly a rose, near her chest. The background is a dark, atmospheric scene with architectural elements. The entire illustration is framed by an ornate, golden, scrollwork border.

Angel Therapy:

Angel Therapy Doreen Virtue, 1997-11-01 Dr Doreen Virtue's life changed dramatically when angels miraculously warned her and then intervened during a carjacking. After her angelic encounter, Doreen began asking the angels for additional guidance. They answered her requests with very clear and loving words. She writes of how the angelic guidance affected her work as a psychotherapist. I began helping my counselling clients to hear their own angels. Very quickly I discovered that the healing power of the angels exceeds any form of man-made therapy I had ever witnessed. The angels have wonderful gifts from God to impart to us. In Angel Therapy, Doreen delivers The Angelic Realm's messages of comfort and guidance that can help you with troubling emotions such as depression, boredom, confusion, and anger, and issues associated with careers, relationships, parenting, and much more.

The Angel Therapy Handbook Doreen Virtue, 2011-01-15 Doreen Virtue has presented her Angel Therapy Practitioner course since 1996, helping thousands learn the skills of spiritual healing and psychic readings in concert with the angels and archangels. Now she has amassed the tools, secrets, and exercises that she teaches her students in this comprehensive handbook. Within these pages, Doreen provides you with a thorough overview of the angelic realm and the methods of Angel Therapy, outlining how to communicate with Heaven for yourself and on behalf of others. In addition, she offers compassionate guidance and practical action steps for lightworkers who want to take up a spiritually based career. Doreen says, "My prayer is that this book will be a resource to awaken you to your clear connection with the Divine and lead you upon the path of your life purpose. Whether you're a professional healer or just want to polish your natural spiritual gifts, this handbook is a vital reference tool that you can turn to again and again."

Angel Therapy Oracle Cards : A 44-Card Deck Doreen Virtue, 2008-10 This easy-to-use deck is appropriate for beginners as well as those experienced with divination cards.
