God's Inferno Assistant Professor of Sociology James Tucker, James Tucker, 2005 Very few of the titles whether fiction or non take a serious analytical look at the Bible as a biblical scholar or theologian would This is where *God's Inferno* differs from the majority It utilizes logical rational reasoning to analyze what that Bible actually says not what most have been lead to believe It seriously attacks the present Christian faith as their tenants and doctrines are based on a very faulty interpretation of what the Bible actually says It maintains and proves the god of the Old Testament is not the Supreme God but merely what the Jewish people of Israel pictured their god to be Naturally if he is not the Supreme God then Jesus is not the Son of that Supreme God but may have been the son of that hateful murderous vengeful god of the Old Testament From the founding of Christianity it traces its impact through the first 1500 1600 years of the Catholic Church the keepers of the faith during that time It documents the Crusades the Inquisitions and the Reformation as well as the many married priests Popes who fathered children and under aged leading fathers of the Church Finally it attempts to motivate the indifferent Christian to utilize his God given mind to seriously think about what they actually believe and to conduct their lives according to that belief *You're Barking Up the Wrong Tree, Snoopy!* Charles Monroe Schulz, 1980 A collection of Peanuts cartoons featuring Snoopy
