G. E. Caldwell, 2006-01-01 *Dante the Heretic: An Exploration of Cathar Beliefs in the Divine Comedy* Maria Soresina, 2026-03-10 The purpose of this book is to demonstrate that Cathar doctrine is the main source of Dante's poem and to encourage readers to approach this work with fresh eyes beyond the interpretative frameworks that are often worn With detailed references to Dante's text persuasive arguments lucid and concrete exposition and a direct and easy to follow style Maria Soresina progressively presents the links between the Divine Comedy and Catharism which she has been investigating since the end of the last century The text analyzes Cathar characters with respect to the doctrine The Cathars were

Christians but their beliefs were very different from those of the Catholic Church The author analyzes their philosophy followed by verses of Dante that demonstrate agreement with it and distance from the Catholic Church In addition to the great doctrinal questions there are many Cathar beliefs and customs all of which such as their being vegetarians find precise confirmation in the verses of the Divine Comedy The Cathars had only one sacrament the consolamentum A long chapter is dedicated to demonstrating that Dante s journey through Purgatory corresponds to the various phases of this sacrament within which the figure of Beatrice has a particular meaning a woman whom Dante probably never met and never loved This text offers non Italian speaking readers the chance to engage with these interpretive theories destabilizing the canonical criticism and forcing a re examination of sources and historical context *American Angels* Peter Gardella,2007 Explores the rich history of angels in America from Spanish colonialism and Puritan culture to modern incarnations found on TV in movies in comic books and on bumper stickers Finds that Americans have constructed the useful angel as a servant of man rather than an agent of God **Bible Student and Religious Outlook** ,1924 **The two paths.
