Kushner     **Staging Deaf and Hearing Theatre Productions** Andy Head,Jill Marie Bradbury,2024-07-11 This book  
explores an unacknowledged gap in theatre study and praxis and establishes an inceptive model for transforming a playscript  
into a theatrical production involving deaf and hearing artists The book stipulates that theatrical productions of this nature  
should strive to go beyond accessibility towards inclusivity by considering deaf perspectives at every stage of the process  
When deaf actors are cast in roles assumed to be hearing how does this change the world of the play How does the inclusion  
of a visual language affect staging decisions How can truly equal access to two different language modalities be achieved for  
diverse production teams and audiences Because deaf artists should be involved in the leadership and creative decision  
making throughout the process this book is co written by a deaf and hearing team The main topics of the book include pre  
production preparation the rehearsal process and performance As deaf theatre artists move increasingly into the foreground  
it s time for the hearing theatre world to learn how to undertake productions that successfully bridge the deaf and hearing  
worlds By including the perspective of directors actors designers and audience members this guide lays out an ideal process  
towards achieving that goal     **Angels in America** Trinity Repertory Company,Tony Kushner,Oskar Eustis,1996
