Title **Do Angels Smooch** Professor Edward Kapambwe, 2021-06-01 Do Angels Smooch Do angels smooch If not why so much obsession in lyrics movies and books about angels and kissing Are there any more surprises that Edward Kapambwe unveils in his book Well there is more For example Kapambwe takes us into an in depth angelic journey in order to understand the extent of angelic involvement in human affairs than ever before He brings out novel elements that have never been unveiled previously For example he recounts how angels visit our stores They buy the stuff they need before meeting people Haven t you noticed that no angel has ever appeared nude or with wings in real life They come already dressed just like us and that is why we have been unable to identify them We are surrounded by angels both good and evil Evil angels no longer transform themselves into humans Only good angels still do Since there are no shops in heaven where do they get the stuff they wear Besides that what happens to these apparels after being used The author asserts that angels donate them to Thrift Stores such as Goodwill the Salvation Army and others Donating to Thrift Stores is an ingenious way to make them accessible to both the rich and the poor Have you wondered why they do that It is a deliberate move they take so that ordinary people could buy things worn by angels That begs another question why do they do that The answer is amazing They do that on purpose because they know that to wear stuff worn by holy angels comes with tremendous blessings This book explains that point persuasively In addition the author contends that these angels are highly disciplined entities such that they never steal anything from banks stores or homes of rich people even though they are able to do so without being seen Angels are invisible spirits entities However they have the ability to transform themselves into regular human beings The author throws in another insight He argues and states that helping strangers gives a person the best chance to be visited by an angel The author then explains to us the probabilities of being smooched by an angel Do angels smooch That question points us in the direction of social theology than philosophy It is not a new question but the framing might be Many theologians have debated extensively the narrative found in Genesis 6 where angels came on earth and married daughters of men With his masterful insight and knowledge of theology and philosophy the author gives a different angle of the workings of angels among us It is not a book to miss If there is one book you need to read in your lifetime Do Angels Smooch should be

P. Lucas,2016-02-29 Cottonwood an Observation is based on the lifetime of a cottonwood tree and the things seen by him over an eighty five year period from 1842 until the end of WWI He watches the development of the country around him from pristine prairie the time of the Buffalo and the Indian through the settlement and development of a city nearly under his branches Cottonwood becomes intimately involved in the lives of the main characters of the book from what he sees and hears from his point of observation above the Sweetwater River in the developing state of Wyoming He observes the wars of the era the medical developments of those years the passing of the Indian the coming and the passing of the Pony Express He watches as the telegraph telephone and the railroad come into his part of the world He becomes intimately involved in the stories of those passing his post He inspires introspection into our personal lives by his constant attempt to analyze the actions of human beings their sometimes peaceful and sometimes deadly interactions with one another He records the stories of the lives of those fleeing the confusion and discord of Europe as they search for opportunity in the New World We watch through the eyes of Cottonwood as a woman in Appalachia struggles with an iron will to break the bonds and stereotyping of ignorant mountain women Cottonwood observes as the love of two men bring salvation to an incorrigible Indian warrior He watches as love heals the broken lives of two WWI survivors and catalogs those things he has seen felt and questioned The fact that freedom dreams love and courage overcome every obstacle is the true conclusion of Cottonwoods narrative Cottonwood the observer makes us take a critical look at ourselves our actions our motives and why we are here Cottonwood the book makes us look at our nation and why this unique place called America and its God given freedoms are here He leaves us with the fervent hope that we will continue to deserve and appreciate those blessings and benefits that only Americans enjoy Poetry ,1915 *This Singing World* Louis Untermeyer,1923 Poems of 49 English and American writers chosen for their appeal to readers from 9 to 16 years of age and likely to please adults as well New York State Library *These Times* Louis Untermeyer,1917 The Poems of Annie Hawthorne (Eliza Ann Horton) Eliza Ann Horton,1910 *"The Land of the Sky"* Christian Reid,1888 St. Andrew's Cross
