Split-Gut Song Karen Jackson Ford, 2015-09-15 A deft study of the evolving literary aesthetic of one of the first avant garde black writers in America In Split Gut Song Karen Jackson Ford looks at what it means to be African American free and creative by analyzing Jean Toomer s main body of work specifically his groundbreaking creation Cane When first published in 1923 this pivotal work of modernism was widely hailed as inaugurating a truly artistic African American literary tradition Yet Toomer s experiments in literary form are consistently read in terms of political radicalism protest and uplift rather than literary radicalism Ford contextualizes Toomer s poetry letters and essays in the literary culture of his period and through close readings of the poems shows how they negotiate

formal experimentation imagism fragmentation dialect and traditional African American forms slave songs field hollers call and response sermons lyric poetry At the heart of Toomer s work is the paradox that poetry is both the saving grace of African American culture and that poetry cannot survive modernity This contradiction Ford argues structures Cane wherein traditional lyric poetry first flourishes then falters then falls silent The Toomer that Ford discovers in Split Gut Song is a complicated contradictory poet who brings his vexed experience and ideas of racial identity to both conventional lyric and experimental forms Although Toomer has been labelled a political radical Ford argues that politics is peripheral in his experimental stream of consciousness work Rather Toomer exhibits a literary radicalism as he struggles to articulate his perplexed understanding of race and art in 20th century America [The Crisis](#) ,1970-04 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens **The Addison Gayle Jr. Reader** Addison Gayle (Jr.),2009 This is a comprehensive representation of Addison Gayle Jr s crucial influence on African American aesthetics and literature The reader collects 60 personal essays critical articles and other seminal works which represent the range of Gayle s writing in such subjects as cultural nationalism and racism *Beyond Redemption* Carole Emberton,2024-05-31 In the months after the end of the Civil War there was one word on everyone s lips redemption From the fiery language of Radical Republicans calling for a reconstruction of the former Confederacy to the petitions of those individuals who had worked the land as slaves to the white supremacists who would bring an end to Reconstruction in the late 1870s this crucial concept informed the ways in which many people both black and white northerner and southerner imagined the transformation of the American South *Beyond Redemption* explores how the violence of a protracted civil war shaped the meaning of freedom and citizenship in the new South Here Carole Emberton traces the competing meanings that redemption held for Americans as they tried to come to terms with the war and the changing social landscape While some imagined redemption from the brutality of slavery and war others like the infamous Ku Klux Klan sought political and racial redemption for their losses through violence *Beyond Redemption* merges studies of race and American manhood with an analysis of post Civil War American politics to offer unconventional and challenging insight into the violence of Reconstruction **Library of Congress Catalog** Library of Congress,1965 A cumulative list of works represented by Library of Congress printed cards **National Union Catalog** ,1956 Includes entries for maps and atlases **Library of Congress Catalogs** Library of Congress,1970 [Subject Catalog](#) Library of Congress,1965 **From LeRoi Jones to Amiri Baraka: the Literary Works** Theodore R.
