A Wargamer's Guide to 1066 and the Norman Conquest

Daniel Mersey,2017-03-30 This is one of the first titles in an exciting new series of guides for wargamers Taking one of the most pivotal and famous episodes in British military history it gives a wargamers perspective of the dramatic events of 1066 and the Norman conquest up to around 1070 and advice on how to recreate these on the gaming table Advice is given on factors to consider when choosing an appropriate set of commercially available rules or devising your own to best suit the scale and style of battle you want and capture the flavor of the period The relevant ranges of figures and terrain pieces and buildings are also reviewed Analysis of the forces involved organization tactics and strategies will help with building your armies and there are interesting scenarios included Whether this is a new period for you or you are looking to refresh your existing interest in the period this handy guide is sure to hold much if interest for you

A Cumulative Bibliography of Medieval Military History and Technology, Update 2004 Kelly DeVries,2004-12-01 This is the first update of A Cumulative Bibliography of Medieval Military History and Technology which appeared in 2002 It is meant to do two things to present references to works on medieval military history and technology not included in the first volume and to present references to all books and articles published on medieval military history and technology from 2000 to 2002 These references are divided into the same categories as in the first volume and cover a chronological period of the same length from late antiquity to 1648 again in order to present a more complete picture of influences on and from the Middle Ages It also continues to cover the same geographical area as the first volume in essence Europe and the Middle East or again influences on and from this area The languages of these bibliographical references reflect this geography

Welsh Castles at War John Norris,2004 *Welsh Castles at War* is a vivid and exciting portrayal of how and why castles were raised in Wales after the Norman Conquest and how they became the scenes of particularly bloody large scale campaigns in the violent wars between Wales and England Including chapters on their early formation in the 11th century and on the English Civil War John Norris completes this glorious extensively illustrated book with a comprehensive gazetteer

The Story of Warrington Bill Cooke,2020-08-11 Bill Cooke is to be congratulated on his extensive and knowledgeable account of Warrington s history Harry Wells author of *Medieval Warrington* In 2015 Warrington was named by the Royal Society of Arts as the least culturally alive town in England But was this a fair evaluation In his new book Bill Cooke offers a dramatic reexamination of the town Looking back on its fascinating history dating back to the Romans *The Story of Warrington* demonstrates an extensive and diverse cultural history Should Warrington apologise for the person who supported Richard III against the Princes in the Tower Why was Warrington thought of as the Athens of the North What role did the town play in the Industrial Revolution and the slave trade How did Warrington help win the Cold War With insights into these questions and more readers are presented with the other side of the argument and learn key facts about the history of this British town

Warfare, Raiding and Defence in Early Medieval Britain Erik Grigg, 2018-05-21 Warfare Raiding and Defence in early medieval Britain is an examination of warfare in the period AD400 850 often called the Dark Ages which is roughly the period between the end of Roman rule and the arrival of large Viking armies It uses written sources archaeological evidence and surviving features in the landscape to analyse the nature of warfare in those days paying particular attention to the large defensive earthworks typical of the period Luckily these earthworks survive long after the warriors have turned to dust their locations in the landscape are mute witness to the nature of early medieval warfare This period helped forge and mould the nations of modern Britain This book shows that raiding was the driving force behind the political cultural and linguistic changes that affected post Roman Britain and provides a picture of how raids and counter raiding measures worked in practice

Discovering a Welsh Landscape Ian Brown, 2004 In the far north east corner of Wales a line of hills looks east across the plain into England guarding the way towards Snowdonia Designated an Area of Outstanding Natural Beauty the Clwydian Range has a very rich archaeology This beautifully illustrated book tells the story of this landscape a history of Wales in microcosm At the northern end of the Welsh March the Clwydian Range is a crossroads a place where outside influences have always been profound The book consequently places the Range s archaeology in the context of the broader themes in Welsh and British history We learn of the mammoth bones left in the area s caves by Paleaeolithic hunters the great chain of Iron Age hillforts that crown the Range the bronze brooches in Romano British burials from the medieval period motte and bailey castles and Gothic churches the watercourses mines and engine houses of the industrial era the Range s links with the great poet Gerard Manley Hopkins Throughout the photographs capture the spirit of Hopkins original landscape plotted and pieced The Clwydian Range is perhaps typical of Britain where places have a great depth of historical connections This book shows how much there is to be discovered Ian Brown formerly County Heritage Officer for Clwyd managed the Clwydian Range Area of Outstanding Natural Beauty Mick Sharp and Jean Williamson are two of Britain s leading archaeological and landscape photographers

American Book Publishing Record, 2002 **John of Salisbury** John Hosler, 2013-05-13 The English scholar John of Salisbury was a major intellectual of the twelfth century whose contributions to the fields of education grammar political theory and rhetoric are well known His significance is amplified further in John of Salisbury Military Authority of the Twelfth Century Renaissance in which John D Hosler examines his heretofore overlooked contributions to the ideals and practice of medieval warfare This book surveys an array of military topics present within John s extant corpus including generalship strategy tactics logistics military organization and training it also collates John s military lexicon and charts the influence of classical texts upon his conceptualization of war John of Salisbury it argues deserves inclusion in the roll call of military theoreticians and writers of pre Reformation Europe

Othon de Grandson John Marshall, 2025-08-30 Studies the remarkable life of Othon de Grandson crusader diplomat and close companion to King Edward I There were once two little

boys they met when they were both quite young one was born in what is now Switzerland by Lake de Neuchâtel his name Othon de Grandson and the other was born in London his name Prince Edward son of King Henry the third of that name Othon was probably born in 1238 and Edward we know in June 1239 These two little boys grew up and had adventures together They took the cross together the ninth crusade in 1271 and 1272 Othon reputedly sucking poison from Edward when the latter was attacked by an assassin In 1277 and 1278 they fought the First Welsh War against the House of Gwynedd Othon doing much to negotiate the Treaty of Aberconwy in 1278 which ended hostilities When war broke out again in 1282 they fought the Second Welsh War together Othon led Edward's army across the Bridge of Boats from Anglesey and was the first to sight the future sites of castles at Caernarfon and Harlech Edward made his friend the first Justiciar Viceroy of North Wales When Edward and Othon went to Gascony in 1287 Othon stayed in Zaragoza as a hostage for Edward's good intentions between Gascony and Castille Later in 1291 when Acre was threatened by the Mamluks Edward sent Othon as head of the English delegation of knights When Acre finally fell to the Mamluks bringing the Crusades to a close who was the last knight onto the boats Othon de Grandson helping his old friend the wounded Jean de Grailly onto the boat When Othon returned from the East he found England at war with Scotland and France he would spend his last years in Edward's service building alliances and negotiating peace before retiring to his home in what is now Switzerland after the king's death in 1307 Grandson lived in the time of Marco Polo Giotto Dante Robert the Bruce and the last Templars He was right there at the centre of the action in two crusades war with Wales Scotland and France the Sicilian Vespers and suppression of the Templars he walked with a succession of kings and popes a knight of great renown This is his story

Knights and Warhorses Andrew Ayton, 1999 Dr Ayton has transformed understanding of Edward III's armies compulsory reading for anyone interested in the Hundred Years War WAR IN HISTORY Michael Prestwich The mounted armoured knight is one of the most potent symbols of medieval civilisation indeed for much of the middle ages the armoured warhorse was what defined a man as a member of the military class However despite the status of the knightly warrior in medieval society the military service of the later medieval English aristocracy remains an unaccountably neglected subject and the warhorse itself has never attracted a major study based upon archival sources This book seeks to open up new fields of research it focuses on the horse inventories documents which offer detailed lists of men at arms and their appraised warhorses the valuation of which is a measure of its owner's social and military status Dr Ayton is primarily concerned with the inventories and related records for Edward III's reign a period which witnessed significant changes in the organisation of the English fighting machine The documents produced during this period of military revolution cast valuable light on the character and attitudes of the aristocratic military community at a time when its traditional role was in the course of re-evaluation Dr ANDREW AYTON is senior lecturer in history at the University of Hull

Western Warfare in the Age of the Crusades, 1000-1300 John France, 1999 From the author of *Victory in the East A Military History of the First Crusade* this book offers a wide ranging

and innovative survey of crusading warfare and is intended as a standard reference for students and professional historians alike

The Military and Conflict Between Cultures James C. Bradford, 1997 As the twenty first century approaches and the threat of war between the superpowers declines our attention is drawn to conflicts between nations or ethnic groups with vastly different cultures The United States the last superpower is divided in its motives to maintain its giant Cold War military structure or to create a new world police force that will react to and influence the outcome of intercultural conflict Brought together by James C Bradford these essays by prominent military historians cover three thousand years and five continents in treating various examples of intercultural interaction
