*The Trailsman #346* Jon Sharpe,2010-08-03 Fargo walks straight into a bloodbath Fargo jumps into the deep end of trouble when he helps young Dave Harrigan fight off two bushwhackers Harrigan was heading to Hot Springs to look for his father who went there for the healing powers of the waters Someone doesn't want Harrigan to make it to town And the Trailsman knows that before this is over the blood is going to fly like a geyser of gore *The Trailsman #347* Jon Sharpe,2010-09-07 Fargo takes on a two bit town tyrant Fargo is trying to lose a party of scalp hunting Sioux when he comes across Jasmine Honeydew a pious woman whose devotion to saving souls has incurred the wrath of Abe Mitchell Mitchell likes the small town of Hapgood Pond just the way it is full of liquor ladies and lots of profit for him But the Trailsman isn't going to let a lovely lady of the Lord be pushed out of town without sending someone to Hell **Ride the High Range** Charles G. West,2010-12-07 Follow the gripping journey of Jim Moran a man without a family but armed with an unyielding sense of honor Young Jim Moran known as Rider Twelve Horses finds solace and belonging amongst the Montana Indian tribe With his sharpened instincts and admirable loyalty he becomes a trusted partner in the face of danger When his closest friend falls victim to a brutal attack by a trio of merciless killers Rider embarks on a mission through the treacherous landscape of the high range to bring them to justice **Mormonism** Bruce Kinney,1912 The title of this the latest of the textbooks issued by the Council of Women for Home Missions may need a word of explanation It is generally acknowledged that Mormonism is similar to Mohammedanism in its endorsement of the practice of polygamy and its ideas of heaven Many other points of similarity between these systems have been noted by students and the Book of Mormon has marked resemblance to the Koran As all ancient religions have a modern equivalent Mormonism can justly be claimed to be the modern form of Mohammedanism and not incorrectly termed the Islam of America While the subject considered in this book should be approached only in a spirit of fairness and Christian sympathy it has become of too great importance in our national life to be omitted as a topic for careful study It is in response to a wide spread realization that this subject is a national problem and bears an important relation to Home Missions that the Council of Women presents this book In beginning its study it is wise to free the mind of some misapprehension Prominent among our national ideals are those of religious liberty for ourselves and toleration for our neighbors faith No violation of this principle is involved in a candid just and sympathetic study of any system of religious belief In the Handbook of our faith Christians are exhorted to prove all doctrines in order rightly to measure their truth and test their moral standards In this spirit this textbook has been written Dr Kinney is peculiarly fitted to deal with his subject both from careful investigation and from personal acquaintance with it in Utah The Mormon problem is not primarily a religious one nor should it be so considered The hierarchy which embodies this system has extended its influence into so many lines of our national concerns that Mormonism has ceased to be of merely theological or religious significance It must be studied in its relation to government and commerce to social conditions to its

influence on state policies and even on the utterances of the press before it can be rightly understood as a factor in our present day nationality In all these connections it is presented by Dr Kinney and while he regards with Christian sympathy the followers of the Mormon religion he sees and presents clearly the dangers inherent in the designs ambitions and methods of the all powerful hierarchy which absolutely controls the affairs of the church and the lives of every one of its members The undue influence in the affairs of the nation and the councils of the government attained by this powerful body makes its beliefs and practices of national concern Dr Kinney s point of view is intelligent broad and just The Council of Women for Home Missions is glad to give to its readers and students a textbook so full of carefully authenticated information and written in a spirit of such justice and charity for those deceived indeed but honest in their mistaken beliefs From the Editorial Committee

**Blood Feud** David Robbins,2010-10-05 There s only one way to end a feud Leave no one alive They attacked his older sister They butchered his pa and uncle But the bloodthirsty Harkey clan didn t bargain on sixteen year old Chace Shannon He killed his first man before he could shave Now Chace must ride the vengeance trail alone and take the fight to the Harkeys

**Tumbleweed Trail** Jack Martin,2019-01-01 Jake Preston travelling with his wife and children takes the Tumbleweed Trail heading for Kansas City And if the mile after mile of inhospitable terrain was not enough to contend with there is the added complication of a gang of marauding bandits led by the notorious Sam Brady who have vowed to kill Jake and his entire family The family have only one hope and that is the mysterious stranger named Arkansas Smith a man who some claim is an outlaw himself a violator of women a man as cold hearted as the bitter winds that blow across the trail But there are others who swear he is some sort of special lawman a man bringing gun justice to those who need it There is only one certainty and that is that blood will flow along the Tumbleweed Trail

**Ride to Valor** David Robbins,2011-02-01 James Doyle was just another Irish boy in the slums of New York until the law forced him to go west In the wide open plains he joins the U S calvary determined to straighten out his life But he soon discovers an enemy more brutal than those back home the Cheyenne
