Armada Of Antares Dray Prescott 11:

The Lohvian Cycle I Alan Burt Akers, 2012-05-29 The Dray Prescott Saga omnibus edition containing books 38 to 40 in the epic series Scorpio Reborn Sent by the Star Lords to save a life from a fire Dray Prescott finds himself utterly helpless in a strange land Confused and unable to move he is cared for by Mevancy a woman with a strange and wonderful secret But why have the Star Lords left him there Who is he expected to protect and how is he supposed to do it Flying a kite one moment battling through an inferno the next Prescott is flung headlong into fresh adventures under the mingled streaming lights of the Suns of Scorpio Scorpio Assassin Down in the southern half of the continent of Loh in an isolated desert land where the belief in reincarnation as a punishment is firmly accepted Prescott and his new comrade battle intrigue and assassins and attempt to follow the desires of the Star Lords This new kregoinya is Mevancy nal Chardaz a most spirited lady who means to keep Prescott thoroughly in his place Not completely sure if the guardian Tuong Mishuro is the man the Star Lords wished protected Prescott and the guards have been hoodwinked Prescott races to Mishuro s assistance to arrive too late Thus continues the tale begun in Scorpio Reborn Scorpio Invasion In Scorpio Assassin Dray Prescott defied the Star Lords by saving Queen Leone from a grizzly death and now he must answer for his disobedience But the Star Lords argue over him and Dray is dropped accidentally in a walled garden He is lost Even the Star Lords don t know where he is He knows he is on the splendid if horrific planet of Kregen and in the continent of Loh but nothing is familiar He must find his way back to Makilorn and from there to Tarankar to train an army to fight the Shanks Savage Scorpio Alan Burt Akers, 2007-05-09 Somewhere in the unmapped regions of Kregen beneath the two suns of Antares alpha star of the Constellation Scorpio lies the hidden city of the Savanti The Savanti were the ones responsible for tearing Dray Prescott away from his native Earth for their struggle against the Star Lords And Dray had long sought the locale of his original landing because it would help solve the mystery of his transition Now the time had come when the search must be completed without delay for the father of his beloved Delia was a victim of assassins and only the Savanti could undo the evil that could shatter all that Dray held dear in his second planetary homeland Savage Scorpio is the thrilling novel of a mission that would involve powerful forces far beyond all Prescott s personal desires **The Havilfar Cycle I** Alan Burt Akers, 2007-04-01 The chronicles of Dray Prescott of Earth and of Kregen the second omnibus containing three books of the epic series Manhounds of Antares Arena of Antares and Fliers of Antares *The Jikaida Cycle* Alan Burt Akers, 2009 Four hundred light years from Earth Kregen is a marvelous world peopled by wonderful beings filled with light and clamor and furor of life lived to the hilt But Kregen has its darker side where horror and terror bind innocent people where sorceries rend reason where injustice denies light Here in the unforgiving yet rewarding world of Kregen struggling through disaster and triumph Dray Prescott has made his home He has acquired a number of titles and estates but now the people of the island empire of Vallia which has been ripped to shreds by ambitious and mercenary invaders have called on him to lead them to freedom as their emperor Reluctant to accept the

imperium he shoulders the burden because rightly or wrongly he sees this as the lesser evil A Life for Kregen Prescott is the unwilling battle arm of the mysterious Star Lords who contend for that planet with the powerful Savanti Yet Prescott's ambitions are his own for he has inherited the remnant of a shattered empire and must fight to bring hope and freedom to all its peoples By his side stands his princess Delia of the Blue Mountains and a band of stalwart companions of many races and species But arrayed against him are flying armadas armed hordes the wizardry of a super scientist and most shocking of all the fury and steel claws of his own daughter Dayra A Sword for Kregen The most popular game among the many peoples of Kregen is one that resembles chess called Jikaida Jikaida is a battle of wits and war game pieces that suits well the tension charged atmosphere that envelops Dray Prescott Because reconquering Vallia is assuming the aspect of such a game move versus countermove horde against horde But Dray Prescott finds himself no longer in control of the game when he becomes a living chessman on a real life board at the dreaded arena of Jikaida City There every move is accompanied by bloodshed and behind every game might hang the fate of a city an island or even a nation A Fortune for Kregen Fame and fortune may await the winners of the life and death game called Jikaida but for Dray Prescott his triumphs seem to bring only infamy and misfortune Prescott needs to find a way out of his Jikaida City exile for his homeland needs him in its hour of danger But it seems that fate will place him in an even more terrifying game a treasure hunt played out in the illusion webbed catacombs of a haunted valley where desperate men come to find fortunes at the risk of their followers lives and their own sanity A Victory for Kregen The ending of Prescott's stark adventures as a living chess piece in the city of blood games was to be as terrifying as the perils that had gone before Because now that transposed Earthman has to fight his way back to his embattled Vallian homeland across a sky full of danger and a sea full of death And when he returns he will find the combat joined his son at doom's door his troops up against superior odds and a battle he must personally fight that would be two battles in two different places at the same time This edition contains a glossary to the Jikaida cycle *The Krozair Cycle* Alan Burt Akers, 2011-12 Kregen that grim and beautiful marvelous and terrible world four hundred light years away beneath the red and green fires of Antares is a world too rich in passion and action to allow a fighting man like Dray Prescott to rest for long Once more then he is launched into fresh adventures but this time there is a hiatus which might easily break a man of lesser fire and spirit The Tides of Kregen Of all the honours that Dray Prescott Earthman has won during his fabulous adventures on Kregen none are valued by him more than his membership in the Order of the Krozairs of Zy The Krozairs are the highest order of chivalry on that turbulent planet dedicated men warriors of stern convictions and unflinching hearts Thus when the Krozairs in their hour of need called on all their far flung members for aid he should have gone But he could not His return from Earth was blocked by the anger of the mysterious Star Lords And before Dray Prescott can achieve redemption he has two armies opposed to him two warring kingdoms naming him outlaw and only the tides of the seven moons as a weapon Renegade of Kregen Never before in his adventurous career under the double suns of Antares has Dray

Prescot been in as desperate a situation as he finds himself on his second entry into the city of Magdag Magdag was the scene of one of Prescot s earliest experiences on Kregen and he recalled it with loathing as a city of power lusting slavers of decadent worshippers of the Green Sun As one who had been initiated into the chivalric order of Krozairs he despises all that the city stood for But now Prescot is an outcast Any Krozair any follower of the Red Sun of his former friends will slay him on sight For him there is only one way to recover his home his children his self respect He would have to perform an act of valor so extreme so fabulous that its glory would wash away all that now stains his name Only by reaching to the very heart of mighty Magdag could he hope to achieve such a suicidal triumph Krozair of Kregen Dray Prescot has been condemned by his old enemies whose battle color is the green of the sun Grodno For while among these slavers and conquerors of the green searching for a way to turn the tide of war to his own redemption and his friends advantage he had personally encountered the deadly animosity of Grodno s king had betrayed his champion and had shattered all he so carefully worked for But he must soldier on For now in addition to the enormous feat that alone would restore his honor he has a blood vengeance to achieve that overrides everything This edition contains the short story Wizard of Scorpio and a glossary to the Krozair Cycle

The Havilfar Cycle II Alan Burt Akers,2007-04-01 For the first time ever the books in the Saga of Dray Prescot of Earth and of Kregen are being brought together in omnibus editions In the first Havilfar Cycle omnibus Dray Prescot was launched headlong into a brand new series of adventures upon the planet of Kregen that marvelous and beautiful mystical and terrible world four hundred light years away beneath the Suns of Scorpio Now Hamal the greatest power in Havilfar is bent on conquest and Prescot hates the Hamalese because he slaved in their diabolical Heavenly Mines His mission is to discover the secrets of the Hamalese airboats for his own people This book contains Bladesman of Antares Avenger of Antares Armada of Antares **Science Fiction and Fantasy Literature, 1975-1991** R. is determined to do what he feels is laid upon him but he finds it is not so easy particularly when the Empress Delia and his comrades are determined to keep him out of trouble But he is Dray Prescott Lord of Strombor and Krozair of Zy and that canny old leem hunter will not be prevented from buckling up the brave old scarlet breechclout and hurtling off beneath the Moons of Kregen into fresh headlong adventure with a sword in his fist The marvelous adventures of Dray Prescott on Kregen the world of wonders that orbits the twin suns of Antares in Scorpio have become a science fiction saga to rival and perhaps surpass the works of Edgar Rice Burroughs and others of the heroic fantasy band Beasts of Antares Dray Prescott lone Earthman once a pawn of cosmic powers rallies the warriors of Vallia for a final stand against the foes that encircle them Then in an act of true Prescott bravado undertakes single handed to rescue three old friends from slavery in a distant land The beasts of Antares are many and terrifying but Prescott does not belong to the faint hearted and he will need every ounce of courage this time Rebel of Antares At last Prescott has come in sight of his goal to overthrow the slavers and their evil empires that he shares with the Star Lords On the island kingdom of Hyrklana his course now seems clear overthrow its decadent queen lead a rebellion against the cruel Arena and free the princess who is its rightful ruler It is a hard task but for Dray Prescott against whom sorcerers and swordsmen have contended it is the only course he could follow Legions of Antares For too long the iron legions of the evil empress of Hamal have devastated the neighboring lands and islands of Kregen Dray Prescott has battled Empress Thylyss all the way and at long last finds himself nearing the end of his long campaign Gathering about himself old allies and former enemies Dray prepares to challenge the empress at the very doors of her capital city until he discovers that she is about to spring her secret weapon the super science of the mad wizard of Loh Allies of Antares Dray Prescott has made himself into a rallying point of strength on Kregen Now after the worst war between the humanoid lands has finally concluded Prescott again confronts the Star Lords only to learn that the hard won peace is just a transition to a great hemispheric invasion that was even then raiding over the horizon This book contains a glossary of the Spikatur cycle
