Armageddon When Where:

Armageddon John E. McConner,1974-01-01 **ARMAGEDDON's SONG 3 'FIGHT THROUGH'** ANDY

FARMAN,2015-02-12 The world is at war from the steamy jungles of South America to the high ice of mountain glaciers This is the third of a five part tale of global war and the people under arms on both sides of the conflict NATO won the Battle of the Atlantic at terrible cost and not only in men women and material but to the planet also In Europe the NATO army is close to exhaustion grimly holding its ground along the Elbe and Saale rivers buying time for the US and Canadian 4 Corps to arrive but their grit and determination are frustrating an enemy becoming ever more desperate and a finger hovers over a button marked Nuclear Release *Revelation Is History Foretold* Virgil Fleenor,2010-03-31 The thesis of the author is that

The Book of Revelation predicted precise events in history V J Fleenor chronicles interesting events from Roman times to our present age as clear indication that symbols and signs of the Apocalypse can be deciphered if one is also a student of history

ARMAGEDDON's SONG 'CROSSING THE RUBICON' ANDY FARMAN,2015-02-10 The European war is a long way from the fighting that is consuming the Pacific The ANZACs and the US 5TH Mechanised Division are too few in number to defend Australia s coastline Fear of China s nuclear arsenal has left the allies with limited friends and there is trouble at home in the West Now that war in Europe has reached its bloody end and the men came home to less than gratitude from the politicians In the Pacific all eyes are on the Spratly Islands as the Allies combat the Chinese 3rd and 6th Armies The aftermath in Europe may have left the US and the ANZACs standing alone or has it Soldiers have more honour than politicians at the end of the day A reckoning is coming **End of Days** Wendell G. Johnson,2017-07-14 Covering religious traditions ranging from

Buddhism to Christianity to Zoroastrianism and modern apocalyptic movements such as Arun Shinrikyo and the Branch Davidians this book addresses prophesied end of days from a breadth of perspectives and includes material on often neglected themes and genres End of Days An Encyclopedia of the Apocalypse in World Religions describes apocalyptic writings in the world s major religious traditions including Judaism Christianity Islam Hinduism and Buddhism The cross referenced entries address ancient traditions Zoroastrianism as one example as well as modern apocalyptic movements such as Arun Shinrikyo the Branch Davidians and the Order of the Solar Temple This book s broad scope offers coverage of overlooked traditions such as Mayan Apocalyptic Norse Apocalyptic Native American eschatological literatures and the Tibetan Book of the Dead Readers seeking detailed information on the eschatological and apocalyptic movements and proponents of End Times can reference entries about individuals such as Harold Camping Jerry Falwell David Koresh of the Branch Davidians and James Jones and the People s Temple This single volume encyclopedia also contains numerous historical entries on subjects such as the Great Disappointment the Great Awakening periods of religious revival Joachim of Flora the Maccabean Revolt and the Plymouth Brethren The influence of apocalyptic ideas far outside the realm of religion itself is documented through entries on film including well known modern movies such as The Hunger Games and Apocalypse Now

literature by writers such as Dante and works of fine art like Wagner's Götterdämmerung. The inclusion of entries related to literature, film, and other art forms further attests to the wide-ranging social influence of belief in the end of days.

Finishing the Race: Human History, Life, and Race before Us Plammoottil V. Cherian, 2023-08-29. FINISHING THE RACE: Stimulating, theological, and packed with fascinating historical details of Human Race from a Biblical perspective, author's lively tour of the entire Bible traces the origin of human race from one man whose progeny spread to the entire earth, filled the earth, established their nations with set boundaries. Author establishes the historical account of creation, challenging the concept of Darwinian Evolution which claims man is an evolutionary product. Author stresses that there is only One God who created the universe, the cosmos, the planets, stars, life, and the multitude of living species of organisms with the command endowed in their DNA when God said to herbs, plants, and animals to multiply according to their kind, according to their kind, which is the basis for biological variation and speciation. Whereas God's command to human beings was "Be fruitful and multiply, fill the earth, and subdue it," meaning there is only one single race of humanity. Author has a profound Christian vision of humanity's temporal and eternal destiny, and thus he relates in *Finishing the Race*. In an age when truth is relative and vanishing, conscience, the nations are the crossroads, confused about the true direction, as nations are estranged from God. The present culture is as in the Days of Noah, quoting Jesus and citing world events and conditions as signs of the end. An end-time scenario of world and the second coming of Christ when a northern and a southern army will clash in fierce battle over Jerusalem, the Holy City of God, the capital of the Messianic Kingdom. Not claiming any superiority like many of the past, and famous scientists like Galilei Galileo, Blaise Pascal, Isaac Newton, Louis Pasteur, Robert Boyle, etc. Cherian attempts to convince his readers God is in control of human and world affairs, and natural events. Heaven and hell are not mysterious realms of imagination but true physical entities invisible to human eyes, and calls the nations to submit to God who only is the answer to national and global unrest that we see now. ARMAGEDDON's SONG 4 'THE LONGEST NIGHT' & 'CROSSING THE RUBICON' Andy Farman, 2015-02-09. Volume 4. Two distinct parts of the story. Book 1: *The Longest Night* is set between 8pm and 8am, the critical night battle in Germany between NATO and the New Red Army. The war in Europe has reached critical mass, and it is a race between the Red Army and the newly arrived US and Canadian 4 Corps. The winner owns Europe. Just one last push by the New Warsaw Pact will clear away SACEUR's gambit, and the last division standing between the Red Army and the Channel Ports. It is the Longest Night for everyone, and the last night for many. Book 2: *Crossing the Rubicon*. The war in Europe has reached its bloody end, and the troops came home to less than gratitude from the politicians. In the Pacific, all eyes are on the Spratly Islands as the Allies combat the Chinese 3rd and 6th Armies, but the aftermath in Europe may have left the US and the ANZACs standing alone, or has it? Soldiers have more honour than politicians at the end of the day. *Your World, Your Future, & Bible Prophecy* Daniel J. Gansle, 2007-11. Our high-tech planet, what promises and pitfalls lie before us, and what does the Bible have to say about it? Your world, your future, read the book everyone's talking about.
