Armenia In Crisis The 1988 Earthquake:

Armenia in Crisis Pierre Verluise,1995-01-01 The new epilogue by translator Levon Chorbajian completes Verluise's story of human loss and high political drama with updates of Armenia's independence, the Soviet Union's demise and the still uncompleted task of earthquake reconstruction

Lessons Learned in Disaster Mental Health Armen Goenjian, Alan Steinberg, Robert Pynoos,2022-05-26 An in depth review of an extensive humanitarian post earthquake relief program exploring how it helped to modernize disaster mental health

Disaster Evaluation Research Edmund M. Ricci, Ernesto A. Pretto, Knut Ole Sundnes,2019 A definitive guide to applying modern methods of evaluation science to assess the effectiveness of medical and public health responses to disasters This practical manual provides a range of reliable methods and robust approaches for the gathering and analyzing of data

Journal of the Society for Armenian Studies ,2000

When A Community Weeps Ellen S. Zinner, Mary Beth Williams,2013-06-17 When a Community Weeps provides a model for effective counselor intervention in bereaved communities Individual chapters have been written by traumatologists, psychiatrists, psychologists, social workers and family members who have witnessed the effects of traumatic events first hand Each chapter presents a specific traumatic event and gives perspectives on how these events affected the individuals involved as well as the community as a whole

Notable Natural Disasters: Events 1970 to 2006, indexes Marlene Bradford, Robert S. Carmichael,2007 Scientific and historical overviews of natural disasters followed by a chronological survey of the worst or most notable disasters in history including such recent events as the 2004 tsunami and Hurricane Katrina

The Soviet and Post-Soviet Review ,2013

Democracy on Rocky Ground Human Rights Watch (Organization), Giorgi Gogia,2009 Police and protestors clashed in Armenia's capital Yerevan on March 1, 2008, bringing to a head the country's latest electoral dispute over the results of a presidential poll in February 2008. On that day, in episodes at different city center locations, police variously set upon protestors without warning or resistance, negotiated, withdrew, returned to the offensive and finally fought a pitched battle with a small group of protestors. At least ten people died, eight protestors and two police officers, and scores were injured. The Armenian authorities' response to the March 1 events has been one-sided. While they have convicted dozens of opposition members, sometimes in flawed and politically motivated trials for organizing the demonstration and participating in violent disorder, they have not prosecuted any law enforcement official for excessive use of force. The authorities have also dismissed as unfounded all allegations of ill treatment and torture in detention. Cover p 4

Out of Turkey Harry Yessaian,1994 Dennis McAuliffe grew up believing that his Osage Indian grandmother Sybil Bolton had died an early death in 1925 from kidney disease. But sixty-six years later he began investigating the circumstances surrounding her death and soon found himself peeling away the layers of a suppressed nightmare chapter of American history. From the moment he discovers that the cause of Sybil's death was a gunshot wound, McAuliffe embarks on a journey that brings him face to face with the unspeakable brutality of the Osage Reign of Terror. He

learns that Sybil was the victim not of random violence but of a systematic killing spree in the 1920s carried out by the white settlers of Oklahoma against the Osage Nation The Osages were not your typical Indians in fact they were the richest ethnic group in America at the time they built mansions rode in limousines and sent their children to finishing schools in Europe and Ivy League universities Their land sat atop one of the largest oil fields in North America and the revenues from what one historian called their underground reservation provided each Osage Indian with an annual income equivalent to more than a million dollars today The white settlers wanted this money for themselves even if they had to kill off the Osages to get it The Deaths of Sybil Bolton uncovers the true story behind Sybil s death and the full extent of the crimes committed against the Osages how white lawyers appointed by Congress to protect the Osages systematically swindled the tribe how a ring of prominent and envious whites poisoned or shot hundreds of Osages in order to seize their oil holdings and then papered over the Reign of Terror with doctored deathcertificates and how solving the mystery of his grandmother s death led McAuliffe to confront the mysteries of his own life It is a powerful disturbing and revelatory narrative reintroducing us to a people whose story has been literally torn from the volumes of our nation s history Stalinism in Crisis Robert Knight,1991 No

Cumulated Index Medicus ,1990 **Natural Hazards Observer** ,1995 *Engineering Geology and the Environment* Paul G. Marinos,1997 *Crossing Borders--Confronting History* Jerry L. Johnson,2000 Crossing Borders describes author Jerry Johnson s personal struggle to adjust to life in Armenia while he was there as a community development consultant from 1995 1997 More than a diary of events it offers a simple model for successful intercultural adjustment that readers can apply in a variety of settings It also provides a fascinating detailed account of the living conditions in Armenia in the wake of the Soviet Union s collapse the Nagorno Karabakh War and the historical tragedies that shape the Armenian collective consciousness Furthermore Johnson uses his personal experiences as a backdrop for a broader discussion of contemporary issues such as the lasting effects of the Cold War Era anti communist propaganda on America s role in the so called New World Order and the preparation of American relief and humanitarian aid workers Accessible to a wide audience Crossing Borders will be of great value to those interested in intercultural adjustment developing cultural competence foreign travel or the aftermath of the cold war **Natural Disasters: Avalanches-explosions** Marlene Bradford,Robert S. Carmichael,Tracy Irons-Georges,2001 Organized alphabetically by disaster type this natural disaster reference describes each disaster in scientific terms Special events follow in chronological order The set contains photographs a time line lists of organizations and agencies a glossary and an index Eastern Europe, Russia and Central Asia 2003 ,2000 *Transition* ,1996 *The Newly Independent States of Eurasia* Stephen K.
