Armenia: the Case for a Forgotten Genocide Tigran H. Pōyachean,1972      **Armenia** Dickran H. Boyajian,1972

*Children of Armenia* Michael Bobelian,2009-09-01 An illuminating and powerful chronicle of the historical yet oft forgotten Armenian genocide and its devastating aftermath From 1915 to 1923 the Ottoman Empire drove the Armenians from their ancestral homeland and slaughtered 1 5 million of them in the process While there was an initial global outcry and a movement led by Woodrow Wilson to aid the starving Armenians the promises to hold the perpetrators accountable were never fulfilled In this groundbreaking work Michael Bobelian profiles the leading players Armenian activists and assassins Turkish diplomats U S officials each of whom played a significant role in furthering or opposing the century long Armenian quest for justice in the face of Turkish denial of its crimes and reveals the events that have conspired to eradicate the forgotten Genocide from the world s memory

**Historical Dictionary of Armenia** Rouben Paul Adalian,2010-05-13 There are two Armenias the current Republic of Armenia and historic Armenia The modern state dates from the early 20th century Historic Armenia was part of the ancient world and expired in the Middle Ages Its people however survived and from its residue recreated a new country The history of the Armenians is the story of how an ancient people endured into modern times and how its culture evolved from one conceived under the influence of Mesopotamia to one redefined by the civilization of Europe The second edition of the Historical Dictionary of Armenia relates the turbulent past of this persistent country through a chronology an introductory essay a bibliography and over 200 cross referenced dictionary entries on significant persons events places organizations and other aspects of Armenian history from the earliest times to the present

Surviving the Forgotten Genocide John Minassian,2020-03-27 A rare and poignant testimony of a survivor of the Armenian genocide The twentieth century was an era of genocide which started with the Turkish destruction of more than one million Armenian men women and children a modern process of total violent erasure that began in 1895 and exploded under the cover of the First World War John Minassian lived through this as a young man witnessing the murder of his kin concealing his identity as an orphan and laborer in Syria and eventually immigrating to the United States to start his life anew A rare testimony of a survivor of the Armenian genocide one of just a handful of accounts in English Minassian s memoir is breathtaking in its vivid portraits of Armenian life and culture and poignant in its sensitive recollections of the many people who harmed and helped him As well as a searing testimony his memoir documents the wartime policies and behavior of Ottoman officials and their collaborators the roles played by foreign armies and American missionaries and the ultimate collapse of the empire The author s journey and his powerful story of perseverance despair and survival will resonate with readers today

*International Handbook of Multigenerational Legacies of Trauma* Yael Danieli,2013-03-09 In this extraordinary new text an international array of scholars explore the enduring legacy of such social shocks as war genocide slavery tyranny crime and disease Among the cases addressed are instances of genocide in Turkey Cambodia and

Russia the plight of the families of Holocaust survivors atomic bomb survivors in Japan and even the children of Nazis the long term effects associated with the Vietnam War and the war in Yugoslavia and the psychology arising from the legacy of slavery in America

Death, War, and Sacrifice Bruce Lincoln,1991-08-27 One of the world's leading specialists in Indo European religion and society Bruce Lincoln expresses in these essays his severe doubts about the existence of a much hypothesized prototypical Indo European religion Written over fifteen years the essays six of them previously unpublished fall into three parts Part I deals with matters Indo European in a relatively unproblematized way exploring a set of haunting images that recur in descriptions of the Otherworld from many cultures While Lincoln later rejects this methodology these chapters remain the best available source of data for the topics they address In Part II Lincoln takes the data for each essay from a single culture area and shifts from the topic of dying to that of killing Of particular interest are the chapters connecting sacrifice to physiology a master discourse of antiquity that brought the cosmos the human body and human society into an ideologically charged correlation Part III presents Lincoln's most controversial case against a hypothetical Indo European protoculture Reconsidering the work of the prominent Indo Europeanist Georges Dumzil Lincoln argues that Dumzil's writings were informed and inflected by covert political concerns characteristic of French fascism This collection is an invaluable resource for students of myth ritual ancient societies anthropology and the history of religions Bruce Lincoln is professor of humanities and religious studies at the University of Minnesota

**History Can Bite** Denise Benvotato,Karina V. Korostelina,Martina Schulze,2016-10-10 The volume provides critical insights into approaches adopted by curricula textbooks and teachers around the world when teaching about the past in the wake of civil war and mass violence discerning some of the key challenges and opportunities involved in such endeavors The contributors discuss ways in which history teaching has acted as a political tool that has at times been guilty of exacerbating inter group conflicts It also highlights history teaching as an important component of reconciliation attempts showcasing examples of curricular reform and textbook revision after conflict and discussing how the contestations and difficulties surrounding such processes were addressed in different post conflict societies
