Armistar Mrs Gandhi Last Battle:

Amritsar Mark Tully, Satish Jacob, 1986 Klappentext On 5th June 1984 the Indian army began its attack on the complex at Amritsar which houses the two most sacred shrines. Generals who had pledged to minimum force and on no account to violate the shrines were not prepared for the fierce and adept resistance they encountered. Having suffered severe casualties the infantry were driven back and as last resorts with approval from Delhi tanks were ordered in. The Akal Takht was virtually reduced to rubble. It is doubtful if Mrs Gandhi would have initiated Operation Blue Star had she known how bloody and devastating would be the consequences of that 24 hour conflict.

Mother India Pranay Gupte, 2011-06-20 *Mother India* is the fascinating story of independent India's most complex political figure, Indira Gandhi, the enigmatic and solitary daughter of the country's first prime minister who rose to become prime minister herself.

Fighting for Faith and Nation Cynthia Keppley Mahmood, 2010-08-03 The ethnic and religious violence that characterized the late twentieth century calls for new ways of thinking and writing about politics. Listening to the voices of people who experience political violence either as victims or as perpetrators gives new insights into both the sources of violent conflict and the potential for its resolution. Drawing on her extensive interviews and conversations with Sikh militants, Cynthia Keppley Mahmood presents their accounts of the human rights abuses inflicted on them by the state of India as well as their explanations of the philosophical tradition of martyrdom and meaningful death in the Sikh faith. While demonstrating how divergent the world views of participants in a conflict can be, *Fighting for Faith and Nation* gives reason to hope that our essential common humanity may provide grounds for a pragmatic resolution of conflicts such as the one in Punjab which has claimed tens of thousands of lives in the past fifteen years.

PUNJAB Bakhshish Singh Sandhu MD, 2022-08-24 Ever since the partition of the Indian subcontinent on August 15, 1947 into India and Pakistan, the erstwhile country of Punjab, the Indian Punjab has been occupied and colonized by India. A process of alien subjugation, domination, and exploitation of the Sikh state that began with the British colonization continues under the Republic of India. India is not only using Punjab's land and resources for itself but has also proceeded to destroy Sikh national, religious, linguistic, and cultural identity. The carving up of Punjab's territory, the diversion of its key economic resources, the denial of religious freedom, the violation of fundamental civil and political rights of its people, and the regular pogroms on Sikh communities and holy sites across India demonstrate Sikh subjugation, domination, and exploitation by India. There has been a long history of discrimination, political treachery, and phony negotiations that resulted in repression, persecution, and unspeakable tortures of the Sikhs since 1947. Indian Army's invasion, Operation Blue Star of Darbar Sahib in June 1984, and the Sikh genocide in November 1984 all over India tell the story of the existential threat to Sikhs in India. There has been a terrible tale of tortures and ruthless extrajudicial killing of Sikhs. The Sikhs have realized that the reestablishment of the independence of Punjab is their only option. This book describes the Sikh struggle for freedom and justice and their resolve and determination to achieve this goal by the exercise of their fundamental
