Army Memoirs:

On Military Memoirs L.H.E. (Esmeralda) Kleinreesink, 2016-10-11 Winner of the Caforio prize for the best book in armed forces and civil military relations published between 2015 and 2016 In *On Military Memoirs* Esmeralda Kleinreesink offers insight into military books who were their writers and publishers what were their plots and what motives did their authors have for writing them Every Afghanistan war autobiography published in the US the UK Germany Canada and the Netherlands between 2001 and 2010 is compared quantitatively and qualitatively *On Military Memoirs* shows that soldier authors are a special breed that self published books still cater to different markets than traditionally published ones that cultural differences are clearly visible between warrior nations and non warrior nations that not every contemporary memoir is a disillusionment story and that writing is serious business for soldiers wanting to change the world The book provides an innovative example of how to use interdisciplinary mixed method cross cultural research to analyse egodocuments **The Army Historian**, 1993 **The Military Memoir and Romantic Literary Culture, 1780-1835** Neil Ramsey, 2016-12-05 Examining the memoirs and autobiographies of British soldiers during the Romantic period Neil Ramsey explores the effect of these as cultural forms mediating warfare to the reading public during and immediately after the French Revolutionary and Napoleonic wars Forming a distinct and commercially successful genre that in turn inspired the military and nautical novels that flourished in the 1830s military memoirs profoundly shaped nineteenth century British culture s understanding of war as Romantic adventure establishing images of the nation s middle class soldier heroes that would be of enduring significance through the nineteenth and twentieth centuries As Ramsey shows the military memoir achieved widespread acclaim and commercial success among the reading public of the late Romantic era Ramsey assesses their influence in relation to Romantic culture s wider understanding of war writing autobiography and authorship and to the shifting relationships between the individual the soldier and the nation The memoirs Ramsey argues participated in a sentimental response to the period s wars by transforming earlier impersonal traditions of military memoirs into stories of the soldier s personal suffering While the focus on suffering established in part a lasting strand of anti war writing in memoirs by private soldiers such stories also helped to foster a sympathetic bond between the soldier and the civilian that played an important role in developing ideas of a national war and functioned as a central component in a national commemoration of war *Army History*, 1995 **Soldier: a Memoir** Neal Griffin, 2016-08-19 This memoir records Mr Griffins life during his twenty years of military service It begins when he was eighteen and joined the army and ends when he retired at thirty eight It describes his flaws struggles successes failures weaknesses and insecurities as he faced the challenges of military service At the same time it examines the relationship between two kids who got married too young It describes their struggles and failures during the turmoil of army life including many overseas moves raising kids loneliness from frequent and long separations and the results The Routledge Companion to Military Research Methods Alison J. Williams, Neil

Jenkins, Rachel Woodward, Matthew F. Rech, 2016-04-28 This new handbook is about the practices of conducting research on military issues As an edited collection it brings together an extensive group of authors from a range of disciplinary perspectives whose chapters engage with the conceptual practical and political questions raised when doing military research The book considers a wide range of questions around research about on and with military organisations personnel and activities from diverse starting points across the social sciences arts and humanities Each chapter in this volume Describes the nature of the military research topic under scrutiny and explains what research practices were undertaken and why Discusses the author s research activities addressing the nature of their engagement with their subjects and explaining how the method or approach under scrutiny was distinctive because of the military context or subject of the research Reflects on the author s research experiences and the specific often unique negotiations with the politics and practices of military institutions and military personnel before during and after their research fieldwork The book provides a focussed overview of methodological approaches to critical studies of military personnel and institutions and processes and practices of militarisation and militarism In particular it engages with the growth in qualitative approaches to military research particularly research carried out on military topics outside military research institutions The handbook provides the reader with a comprehensive guide to how critical military research is being undertaken by social scientists and humanities scholars today and sets out suggestions for future approaches to military research This book will be of much interest to students of military studies war and conflict studies and research methods in general

The British Army Sir James Sibbald David Scott (bart.), 1880 Studies the history of the British Army during the 17th century

Military Memoirs of Four Brothers, by the Survivor [T. Fernyhough] Thomas Fernyhough, 2023-07-18 An inspiring tale of courage and sacrifice This book tells the story of four brothers who served in the British Army during World War I and the hardships they faced on the battlefields of France Written by the survivor Thomas Fernyhough the memoirs offer a firsthand account of the brutalities of war and the bond of brotherhood that transcends even death A touching tribute to the bravery of ordinary soldiers This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Forty-Six Years in the Army John McAllister Schofield, 2023-10-04 In Forty Six Years in the Army by John McAllister Schofield readers are given a firsthand account of the author s experiences and perspectives on his long military career Schofield s writing style is straightforward and precise reflecting his military background and attention to detail The book provides a unique insight into the inner workings of the army during the 19th century offering valuable

historical context and personal anecdotes Schofield's meticulous descriptions of battles and military strategy showcase his profound knowledge of warfare and leadership Through his engaging narrative Schofield sheds light on the challenges and triumphs of a military life making this memoir a valuable literary work John McAllister Schofield a prominent figure in American military history draws upon his extensive service to pen this insightful memoir His distinguished career which included serving as a Major General in the Union Army during the Civil War provides the expertise and credibility necessary to construct a compelling account of his time in the army Schofield's deep commitment to duty and honor is evident throughout the book making it a poignant reflection on a life dedicated to military service I highly recommend *Forty Six Years in the Army* to readers interested in military history personal memoirs and the Civil War era Schofield's narrative offers a captivating and informative look at the life of a soldier making it a must read for those seeking to understand the complexities of military life and leadership

The Volunteer Soldier of America John Alexander Logan, 1887
Wellington's Army, 1809-1814 Charles Oman, Sir Charles William Chadwick Oman, 1913 *A History of the Negro Troops in the War of the Rebellion, 1861-1865* George Washington Williams, 1887 A History of the Negro Troops in the War of the Rebellion 1861-1865 by pioneer African American historian George Washington Williams remains a classic text in African American literature and Civil War history In this powerful narrative Williams who served in the U S Colored Troops tells the battle experiences of the almost 200 000 black men who fought for the Union cause Determined to document the contributions of his fellow black soldiers and to underscore the valor and manhood of his race Williams gathered his material from the official records of U S and foreign governments and from the orderly books and personal recollections of officers commanding Negro troops during the American Civil War Description from Fordham University Press edition *Edwards's Military Catalogue* Francis Edwards (Firm), 1908 *Napoleon; a History of the Art of War: From Lützen to Waterloo, with a detailed account of the Napoleonic wars* Theodore Ayrault Dodge, 1907 *Scottish Books ...* James Thin (Bookseller, Edinburgh.), 1930 *Cromwell's Army* Charles Harding Firth, 1902 **The Report of the Adjutant General of the Commonwealth of Virginia for the Period...** Virginia. Dept. of Military Affairs, 1920 Contains organizational activities rosters of men serving in the guard financial data and other information relating to civil defense *Genetic Studies of Genius: Mental and physical traits of a thousand gifted children, by L.M. Terman and others* Lewis Madison Terman, 1926
The Nation, 1875 **Publishers' circular and booksellers' record**, 1892

While this might not be the Army Memoirs full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Army Memoirs eBooks, including some popular titles.

FAQs About Army Memoirs Books

What is a Army Memoirs PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Army Memoirs PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online

converters: There are various online tools that can convert different file types to PDF. **How do I edit a Army Memoirs PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Army Memoirs PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Army Memoirs PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
