

Army Of Tennessee A Military History

James B. Jones Jr.

Army Of Tennessee A Military History:

The Army of Tennessee Stanley F. Horn,1993 Nowhere in the annals of United States military history is there a more tragic yet valorous story than that of the Army of Tennessee Unlike its companion fighting unit the Army of Northern Virginia which was commanded throughout the Civil War by one of the great military figures of all time Robert E Lee the history of the Army of Tennessee is one of ever changing commanders of bickering and wrangling among its leaders and a discouraging succession of disappointments and might have been

The Army of Tennessee Stanley F. Horn,1941 [Army of the Heartland](#) Thomas Lawrence Connelly,2001-08-01 A companion volume to Autumn of Glory Most of the Civil War was fought on Southern soil The responsibility for defending the Confederacy rested with two great military forces One of these armies defended the heartland of the Confederacy a vital area which embraced the state of Tennessee and large portions of Alabama Georgia Mississippi and Kentucky This is the story of that army the first detailed study to be based upon research in manuscript collections and the first to explore the military significance of the heartland The Army of Tennessee faced problems and obstacles far more staggering than any encountered by the other great Confederate force Lee s Army of Northern Virginia Lee s army was charged with the defense of an area considerably smaller in size And while Lee s line of defense extended only about 125 miles the front defended by the Army of Tennessee stretched for some 400 miles Yet the Army of the Heartland has heretofore been given relatively slight attention by historians With this volume Thomas Lawrence Connelly a native Tennessean has brought Confederate military history more nearly into balance Throughout the war the Army of Tennessee was plagued by ineffective leadership There were personality conflicts between commanding generals and corps commanders and breakdowns in communications with the Confederate government at Richmond Lacking the leadership of a Lee the Army of Tennessee failed to attain a real esprit at the corps level Instead the common soldiers sensing the quarrelsome nature of their leaders developed at regimental and brigade levels their own peculiar brand of morale which sustained them through continuous defeats Connelly analyzes the influence and impact of each successive commander of the Army His conclusions regarding Confederate command and leadership are not the conventional ones

Training, Tactics and Leadership in the Confederate Army of Tennessee Andrew R.B. Haughton,2012-12-06 This assessment of the performance of the southern soldiers in the American Civil War of 1861 deals with every aspect of an army from its senior officer to the lowliest private following every process as the soldier tried to adapt to military life train and overcome the enemy

Confederate Military History - Tennessee James D. Porter, [The Army of Tennessee. A Military History ... Illustrated](#) Stanley Fitzgerald HORN,1941 [Conquered](#) Larry J. Daniel,2019-03-05 Operating in the vast and varied trans Appalachian west the Army of Tennessee was crucially important to the military fate of the Confederacy But under the principal leadership of generals such as Braxton Bragg Joseph E Johnston and John Bell Hood it won few major battles and many regard its inability to halt steady Union advances into the Confederate heartland as a matter of failed leadership Here

esteemed military historian Larry J Daniel offers a far richer interpretation Surpassing previous work that has focused on questions of command structure and the force s fate on the fields of battle Daniel provides the clearest view to date of the army s inner workings from top level command and unit cohesion to the varied experiences of common soldiers and their connections to the home front Drawing from his mastery of the relevant sources Daniel s book is a thought provoking reassessment of an army s fate with important implications for Civil War history and military history writ large Autumn of Glory Thomas Lawrence Connelly,2001-08-01 Winner of the Fletcher Pratt Award and the Jefferson Davis Award A companion volume to *Army of the Heartland* Near the end of 1862 the Army of Tennessee began a long and frustrating struggle against overwhelming obstacles and ultimate defeat Federal strength was growing and after the Confederate surrender at Vicksburg the total Union effort became concentrated against the Army of Tennessee In the face of these external military problems the army was also plagued with internal conflict continuing command discord and political intrigue In *Autumn of Glory* the final volume of Thomas Lawrence Connelly s definitive history of one of the Confederacy s two major military forces Connelly analyzes the factors underlying the army s failure during the last two years of the Civil War The army s military operations including such major battles and campaigns as Murfreesboro Chickamauga Lookout Mountain Missionary Ridge Kennesaw Mountain Peachtree Creek Atlanta Ezra Church Jonesboro and Bentonville are viewed in perspective with its growing internal problems and the personality peculiarities of its commanders In late 1863 a well organized movement within the army against General Bragg failed After his departure a semblance of the anti Bragg organization still remained and subsequently the army s leadership became embroiled in national Confederate politics Connelly traces these growing problems of command discord and political intrigue and examines their disastrous effects upon the army s political fortunes Connelly s first volume *Army of the Heartland* explores the military significance of the heartland of the Confederacy and covers the army s operations from 1861 to late 1862 With the completion of these two volumes the author has narrowed the historiographical gap between Lee s Army of Virginia and the Confederacy s other army **Tennessee in the War, 1861-1865** ,1908 **Suffering in the Army of Tennessee** Christopher Thrasher,2023-08-18 Winner of the 2022 Douglas Southall Freeman Award Confederate historiography of the Civil War is rich with stories of leaders and decision makers oft repeated names immortalized by their association with America s great trial of the 1860s But while scholarship exploring the roles of Confederate generals and politicians abounds a major part of the story remains untold that of the ordinary people who became soldiers and turned the very pages of Civil War history Part of the *Voices of the Civil War* series *Suffering in the Army of Tennessee* doesn t just draw upon one single diary or letter collection and it does not use brief quotations as a way to fill out a larger narrative Rather across eight chapters spanning the Atlanta Campaign to the Battle of Nashville in 1864 Thrasher draws upon a remarkably broad set of primary sources newspapers manuscripts archives diaries and official documents to tell a story that knits together accounts of senior officers

the final campaigns of the Western Theater and the experiences of the civilians and rebel soldiers who found themselves deep in the trenches of a national reckoning While volumes have been written on the Atlanta Campaign or the Battles of Nashville and Franklin no previous historian has constructed what amounts to a sweeping social history of the Army of Tennessee the daily details of soldiering and the toll it took on the men and boys who mustered into service foreseeing only a small skirmish among the states While this volume will appeal to Civil War buffs and military history scholars its accessible structure and engaging narrative style will likewise captivate American history enthusiasts students and general readers

Tennessee in the Civil War ,2014-01-10 The only state designated by Congress as a Civil War National Heritage Area Tennessee witnessed more than its share of Civil War strife This collection taken from primary documents including newspaper accounts official reports journal and diary entries gunboat deck logs and letters offers rare glimpses of the Civil War as it unfolded in the Volunteer State Arranged chronologically from April 1861 to April 1865 the accounts chronicle some of the numerous smaller skirmishes of the war and address a variety of topics critical to the civilian population including health issues politics anti Semitism inflation welfare commodities speculation refugees African Americans Native Americans and the war s effect on women These informative accounts go beyond the customary emphasis on famous generals and big battles to illustrate how the Civil War impacted the lives of those everyday soldiers and Tennessee citizens whose history has become marginalized [The Annals of the Army of Tennessee and Early Western History](#) Edwin L. Drake,1878

Hidden History of Civil War Tennessee James B. Jones Jr.,2013-07-09 Join author James B Jones Jr on an exciting journey through the unknown and hidden history of Civil War Tennessee Tennessee s Civil War history is an oft told narrative of famous battles cunning campaigns and renowned figures Beneath this well documented history lie countless stories that have been forgotten and displaced over time Discover how Vigilance Committees sought to govern cities such as Memphis where law was believed to be dead See how Nashville and Memphis became important medical centers addressing the rapid spread of private diseases among soldiers and marvel at Colonel John M Hughes whose men engaged in guerrilla warfare throughout the state

Tennessee in the War, 1861-1865 Marcus Joseph Wright,2015-02-24 This is a curated and comprehensive collection of the most important works covering matters related to national security diplomacy defense war strategy and tactics The collection spans centuries of thought and experience and includes the latest analysis of international threats both conventional and asymmetric It also includes riveting first person accounts of historic battles and wars Some of the books in this Series are reproductions of historical works preserved by some of the leading libraries in the world As with any reproduction of a historical artifact some of these books contain missing or blurred pages poor pictures errant marks etc We believe these books are essential to this collection and the study of war and have therefore brought them back into print despite these imperfections We hope you enjoy the unmatched breadth and depth of this collection from the historical to the just published works [The Military Annals of Tennessee](#) John Berrien Lindsley,1995 [The Annals of the Army of](#)

Tennessee and Early Western History ,2016 **Nothing but Victory** Steven E. Woodworth,2007-12-18 Composed almost entirely of Midwesterners and molded into a lean skilled fighting machine by Ulysses S Grant and William Tecumseh Sherman the Army of the Tennessee marched directly into the heart of the Confederacy and won major victories at Shiloh and at the rebel strongholds of Vicksburg and Atlanta Acclaimed historian Steven Woodworth has produced the first full consideration of this remarkable unit that has received less prestige than the famed Army of the Potomac but was responsible for the decisive victories that turned the tide of war toward the Union The Army of the Tennessee also shaped the fortunes and futures of both Grant and Sherman liberating them from civilian life and catapulting them onto the national stage as their triumphs grew A thrilling account of how a cohesive fighting force is forged by the heat of battle and how a confidence born of repeated success could lead soldiers to expect nothing but victory **Battles and Sketches of the Army of Tennessee (Classic Reprint)** Bromfield L. Ridley,2016-10-12 Excerpt from Battles and Sketches of the Army of Tennessee The second was the part he took in founding the Law School of Cumberland University Will T Hale Judge Ridley was not only a Christian gentleman of the highest character but he was also a most genial companion a warm hearted true friend About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Tennessee in the War 1861-1865* Gen Marcus J Wright,Marcus Wright,2012-05-10 Originally published in 1908 this is a compilation of military organizations and officers in Tennessee in both the Confederate and Union armies during the Civil War *Tennessee in the War, 1861-1865* Marcus Joseph Wright,2018-02-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Army Of Tennessee A Military History Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Army Of Tennessee A Military History free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Army Of Tennessee A Military History free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Army Of Tennessee A Military History free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Army Of Tennessee A Military History. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether

its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Army Of Tennessee A Military History any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Army Of Tennessee A Military History Books

1. Where can I buy Army Of Tennessee A Military History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
