Around The Corner:

A Guide to the Historic Buildings of Fredericksburg and Gillespie County Kenneth Hafertepe, 2015-03-30 This richly illustrated book tracks the evolution of Fredericksburg architecture and guides readers through the streets of this once westernmost German settlement in America pointing out the log fachwerk and stone buildings that housed the town's full time residents its weekenders and the businesses of the nineteenth century Abundant with details uncovered by Hafertepe in his research including corrections to construction dates based on newly tapped records this guide features those buildings visible to visitors from the public streets and sidewalks The author lists which buildings are open for tours and which ones have been converted to public use such as museums stores or restaurants The buildings of Fredericksburg reflect memories of classic German construction and technique with a gradual transition to American styles including a few remarkable decades that were neither purely German nor American distinctively but saw the creation of a regional style This book allows readers to walk down the streets of Fredericksburg and see the layers of Texas history on display everything from a pioneer log cabin to an art deco courthouse

The Corner Cecelia S. Davis, 2013-02-13 Traffic comes to a screeching halt horns blare and angry motorists start yelling as a young boy runs into the street waving his arms Fear is written on his countenance The corner Stay away from the corner he shouts The chaplain from the Youth Home in Edgerton Kansas runs after him Come on Jimmy he shouts breathlessly Get out of the street You're going to get run over I have to warn them he shouts back The corner Stay away from the corner He pounds on the hood of a car The chaplain grabs him and drags him away from on coming traffic The boy struggles and they both fall to the ground just as a bus rolls past Jimmy starts crying hysterically Someone has to warn them Finally he yields to his captor in great sobs Its okay Jimmy the chaplain assures him Come on Lets go back to the house I know you think you did what you could Cecelia Stanbrough Davis

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
