wisdom that is most meaningful for them thus serving as a contemporary circle's reflections on the original mystical circle of master and disciples who created these teachings Volume 2 of a 2 volume set □□□□ □□□□□□ Arthur Green, Ebn D. Leader, Ariel Evan Mayse, Or N. Rose, 2013 Powerful Hasidic teachings made accessible by some of the world's preeminent authorities on Jewish thought and spirituality Volume 1 covers Genesis Exodus and Leviticus and the history of early Hasidism and the central teachings of the Maggid's school A Partner in Holiness Vol 1 Rabbi Jonathan P. Slater, DMin, 2014-07-28 Find inspiration for a satisfying spiritual life of practice through the combination of contemporary mindfulness meditation and classical Hasidic spirituality The soul yearns to feel connected to something greater and to know happiness despite personal suffering and seemingly endless need Surprisingly the perspectives of the late eighteenth and nineteenth century Hasidic spiritual teachers offer a radically different Jewish theology that speaks directly to today's spiritual seekers whose faith has been shattered by both modernity and the Holocaust These masters taught of interdependence interconnectedness selflessness service and joy anticipating the insights of contemporary science and twenty first century spirituality Bringing together the teachings of beloved Hasidic master Rabbi Levi Yitzhak of Berdichev 1740 1809 and the practice of mindfulness meditation Rabbi Jonathan P Slater reveals a new entrance into Jewish spiritual life Covering the Five Books of Moses these two volumes present accessible translations of selections from Kedushat Levi R Levi Yitzhak's Hasidic Torah commentary which emphasizes our spiritual capacity to transform consciousness and so our life experience The selections are paired with Rabbi Slater's commentaries to illuminate their message *The JGuy's Guide* Joseph B. Meszler, Shulamit Reinharz, Liz Suneby, Elizabeth Suneby, Diane Heiman, 2013 What does it mean to be a young Jewish man Who am I How do I feel about myself Do I seem cool Do I fit in These overarching teen boys concerns are addressed head on through the voices of contemporary Jewish teens men and biblical and historical stories The JGuy's Guide helps young teens see how Judaism can help them navigate the often choppy waters of adolescence while it strengthens Jewish identity and pride This interactive book encourages personal reflection and discussion making it ideal for the individual teenager as well as education and discussion groups Its candid approach explores dilemmas boys face in their daily lives the pressure to excel at sports school and social life the courage to speak up when friends make questionable choices or parents act hypocritically and more Like the Talmud the book offers many perspectives and reflection questions to help boys find their own truths **The Heart of the Matter** Arthur Green, 2015-04-01 Judaism like all the great religions has a strand within it that sees inward devotion as an opening of the human heart to God's presence This voice is not always easy to hear in a tradition where so much attention is devoted to the how rather than the why of religious living The devotional claim certainly a key part of Judaism's biblical heritage has reasserted itself in the teachings of individual mystics and in the emergence of religious movements over the long course of Jewish history This volume represents Rabbi Arthur Green's own quest for such a Judaism both as a scholar and as a contemporary seeker This collection of essays brings together Green's

scholarly writings centered on the history of early Hasidism and his highly personal approach to a rebirth of Jewish spirituality in our own day In choosing to present them in this way he asserts a claim that they are all of a piece They represent one man s attempt to wade through history and text language and symbol an array of voices both past and present while always focusing on the essential question What does it mean to be a religious human being and what does Judaism teach us about it This the author considers to be the heart of the matter Publisher s description

**Inspired Jewish Leadership** Erica Brown,2008 Drawing on the past and looking to the future this practical guide provides the tools you need to work through important contemporary leadership issues It takes a broad look at positions of leadership in the modern Jewish community and the qualities and skills you need in order to succeed in these positions Real life anecdotes interviews and dialogue stimulate thinking about board development ethical leadership conflict resolution change management and effective succession planning BOOK JACKET

**Eternity Now** Wojciech Tworek,2019-07-15 The Habad movement formed in eighteenth century Belarus has developed into one of the most influential streams of Hasidic Judaism Drawing on both mystical sermons and legal writings of its founder Rabbi Shneur Zalman of Liady 1745 1812 Eternity Now provides the first account of the historiosophical dimensions of early Habad doctrine Challenging the commonly held view that Shneur Zalman was primarily concerned with supratemporal transcendence Wojciech Tworek reveals the importance of time and history in his teachings Tworek argues that the worldly dimensions of Shneur Zalman s thought were largely responsible for the rapid growth of Habad at the turn of the nineteenth century and fostered its transformation from an elitist circle into a mass movement Tworek s readings of Hebrew and Yiddish sources demonstrate the implications of these ideas not only for male scholars but also for non scholars Jewish women and even non Jews Philosophical and kabbalistic thought joined together to form a model of religious experience attractive to a broad audience laying an ideological foundation for the missionary messianism that was to become a hallmark of Habad in the twentieth century
