Around Australia By Bicycle:

Around Australia by Bicycle Paul Elwood, 2003 *Around Australia by Bicycle* is the complete guide book for long distance cycle touring around mainland Australia. The book has comprehensive information on selecting bicycle and camping equipment, planning the trip, weather conditions, and bike maintenance. Detailed route descriptions for the entire 15,000 km journey around Australia are included in the guide. Shorter tours are also recommended for cyclists who wish to experience some of the best cycle touring routes in Australia. The route descriptions include detailed information on towns and facilities, caravan parks, and camping areas, water sources, bike shops, roadhouses, free camping, and bushcamping areas, and road conditions along the route. Outback areas including western Queensland, the Northern Territory, Kimberley, Pilbara, and Nullarbor are covered in detail. *Around Australia by Bicycle* is the definitive guide for long distance cycle touring in Australia.

But much has changed in the last three decades and this fully revamped edition provides authoritative information on both the latest equipment and the ever-expanding universe of touring options for a whole new generation of riders. Readers learn how to train, equip, plan, and pack for tours of any length and difficulty, from overnight trips near home to multiweek journeys abroad. Author Raymond Bridge surveys the wide range of touring options, which now include extensive commercial offerings and roof-to-roof or credit card tours, as well as independent self-contained travel. Chapters covering bike styles, road, mountain, and world touring models, along with bike frames and fit, drive trains, wheels, brakes, saddles, and handlebars, and accessories, offer up-to-date guidance on the myriad equipment choices from the booming bike industry. And chapters on camping, transporting bikes, and roadside repairs are full of expert advice to help both novice and experienced bike travelers get maximum pleasure from any journey while saving money and staying safe.

Melbourne, Victoria & Tasmania Holly Smith,2010-09-14 The author a native Australian covers everything you might want to know about Australia guaranteed The places to stay from budget to luxury rentals to B Bs the restaurants from fast food to the highest quality the beachwalks and bushwalks the wildlife and how to see it exploring the country by air on water by bike and every other way Following are a few excerpts from the guide The gathering of landscapes within the compact state of Victoria seem as if a giant had taken different pieces from around the continent squashed them together and shaken them up and then tossed them to let them fall where they may The awesome wave lashed coastal edges are among the state s classic sights with crumpled pillars of orange rock stacked tall out in the water Where the shores aren t rough the beaches are silky and white as soft and tame as a kitten with cold but gentle waters Behind this edge are thick patches of temperate rainforests leading up into drier locales including inland deserts an unmade bed of mountain foothills and folds and smooth river marshes and plains You d never expect that much of the terrain here was once actually volcanic resulting in wild peaks bluffs and valleys throughout the center There s 227 600 sq km of land in the state and the Great Dividing Range arches through the center of it with major collections of peaks in the Dandenongs and Macedons The highest summits are in the east at 1 986 m 6 514 ft Mt Bogong and 1 922 m 6 304 ft Mt Feathertop and snowfields are found throughout the northeastern Australian Alps from June to September Hemming in the land are 1 800 km 1 116 mi of coastlines along the Bass Strait and the Southern Ocean with Melbourne and Geelong fronting the central cut inland to Port Phillip Bay This is a cool state akin to the Pacific Northwest or the lower New England states of the U S with warm summers but chilling wet winters Some regions do dip below freezing namely the northeastern mountains while the Gippsland highlands in the east and the western Otway Ranges see more rain than anywhere else Skip a couple hours south or west and you ll hit the arid Mallee region and the Little Desert and Big Desert national park areas Farmlands fill in the gaps where orchards and vineyards are filled with

apples grapes oranges and other citrus fruits Main crops are grains and vegetables the fields fronting huge dairy farms or sheep and cattle ranches Tasmania is offshore from Victoria The name Tasmania is one of the world s most intriguing and it rightfully sounds such as one of the most fascinating places on earth And yes it s a heck of a journey to reach this offshore Australian state but once you re here if you re adventurous you won t want to leave Indeed the island state of Tasmania is ripe for adventure A heart shaped mountainous landmass 298 km 185 mi southeast of the main Australian continent it s covered with forests threaded with rivers and edged by wild rugged beaches and bays Its wilderness comprises an international Heritage Site of its own filled with some of the world s oldest and most unusual plants animals that are found nowhere else on earth rock formations that span every geological era and among the longest underground tunnels ever found The capital of Hobart where almost half the island s residents live is tucked into the southeastern edge and the sleepy northern ferry town of Devonport brings in visitors from the mainland No one ventures far though which leaves the majority of the island open to exploring and free of crowds even at the loveliest of national wonders such as Tasman National Park in the southeast Freycinet National Park in the east and Franklin Gordon Wild Rivers National Park in the west
