American Architect and the Architectural Review,1897 *Fronteras*,2002 **The American Architect and Building News**,1897 **Architecture in Texas** Jay C. Henry,1993 Written in an accessible style Henry s work places Texas architecture in the wider context of American architectural history by tracing the development of building in the state from late Victorian styles and the rise of neoclassicism to the advent of the International Style His work provides a welter of new facts both about the era s buildings and the architects who designed them and he has catalogued and described most of the important landmarks of the period Southwestern Historical Quarterly a significant contribution to the study of Texas architecture Drury Blakeley Alexander author of *Texas Homes of the Nineteenth Century* Texas architecture of the twentieth century encompasses a wide range of building styles from an internationally inspired modernism to the Spanish Colonial Revival that recalls Texas earliest European heritage This book is the first comprehensive survey of Texas architecture of the first half of the twentieth century More than just a catalog of buildings and styles the book is a social history of Texas architecture Jay C Henry discusses and illustrates buildings from around the state drawing a majority of his examples from the ten to twelve largest cities and from the work of major architects and firms including C H Page and Brother Trost and Trost Lang and Witchell Sanguinet and

Staats Atlee B and Robert M Ayres David Williams and O Neil Ford The majority of buildings he considers are public ones but a separate chapter traces the evolution of private housing from late Victorian styles through the regional and international modernism of the 1930s Nearly 400 black and white photographs complement the text Written to be accessible to general readers interested in architecture as well as to architectural professionals this work shows how Texas both participated in and differed from prevailing American architectural traditions Chicano Art History Jacinto Quirarte, 1984 *Texas High Schools* Texas. State Department of Education, 1930 **Presidio, Mission, and Pueblo** James Early, 2004 The author surveys the Spanish architecture of Florida New Mexico Texas Louisiana Arizona and California prior to 1846 and offers an assessment of Hispanic architecture in the following years describing the forms and styles of churches forts simple houses and other structures while shedding light on the social contexts within which they were built In addition to numerous black and white photographs 16 color plates show examples of the structures discussed *Annual Meeting* Texas State Historical Association, 2002 A program of the annual meeting *Colonial Latin American Historical Review*, 2001 **Architecture Series: Bibliography**, 1988 **American Architect**, 1897 **Texas Painters, Sculptors & Graphic Artists** John E.
