the goodness of human nature and its intrinsic capacity to tame pain disappointments and challenges that destiny confronts us with without exception Circumstances and pursuits that seem to occupy us otherwise are a deviation from the higher purpose of love and empathy that has kept us together as a species with the immense potential to reach nobility These inner realms of absolute tranquility are sanctuaries and the source that has been tapped over and over through generations to enrich the world with unique expressions in poetry and literature As a race mankind is invincible above pain above pleasure above all vagaries of time The verse here acknowledges every human being in this world Being is all that is
