**Bibliographic Guide to Maps and Atlases**, 1998 Harry Clarke's War Marguerite Helmers, 2015-11-30 Ireland's Memorial Records 1914-1918 contain the names of 49,435 enlisted men who were killed in the First World War. Commissioned in 1919 by the Lord Lieutenant of Ireland and published in 100 eight volume sets the Records are notable for stunning and elaborate page decorations by celebrated Irish illustrator Harry Clarke. Drawing from published and unpublished sources Marguerite Helmers' ground breaking study provides a fascinating insight into the work of Harry Clarke as an extraordinary war artist and examines the process that led to the Records being commissioned through to the eventual placement of the Records within the Irish National War Memorial at Islandbridge Dublin. With Harry Clarke's illustrations taking center stage in the story the Records and their genesis are of vital importance to our understanding of how art and commemoration can come together in a powerful visual creation.
