Gelfman,1971 **Brother Carl** Susan Sontag,2015-04-07 According to Edgardo Cozarinsky the Argentine film critic There is something recognizably Scandinavian about Brother Carl un easy puzzling exchanges between its characters with brooding ever present nature surrounding them The interplay of formal speech and plain silence recalls Dreyer s Gertrud rather than Bergman s The Silence and Persona On closer inspection though it is unlike any other Scandinavian film The miracles unlike that in Dreyer s Ordet are not real ones But they are the only kind these characters can afford Brother Carl is an outsider s commentary with very personal variations on those motifs that filmgoers associate with the Scandinavian film tradition And much of its elusive fascination depends on this flexible distance btween material that may seem familiar and the fresh look that establishes its own perspective Brother Carl was shot in and around Stockholm in 1970 and had its world premiere at the Cannes Film Festival in 1971 It was shows at the San Francisco Chicago and London film festivals and had its U S theatrical premiere in 1972 Note This eBook edition does not contain images **Film Scripts: High noon.
