**The Duke's Revenge** Marlene Suson,1988      **The Duke's Revenge** Robyn C Rye,2023-05-29 Exiled for most of his youth Lord Zavier Fagean returns to seek revenge on the woman who ruined his life After setting his estate s business in order Zavier heads to London to stalk his nemesis and devise a plot to wreak havoc in her life As Zavier considers his options he decides to cause distress and humiliation to his enemy by ruining her daughter Lady Isabelle Beaumont is a debutant caught up in her mother s plans to find her a husband and is ripe for the picking Much to her mother s horror Zavier inserts himself into Isabelle s life As the worldly and handsome man enthrals her Isabelle s ruination is all too easy Consequences Zavier had never considered emerge and he tricks Isabelle into marrying him A visit from Zavier s sisters causes dissent and ruins Zavier s plan to sweet talk his wife Can Isabelle and Zavier beat the odds and make their forced marriage work or has the interference from outside forces doomed them to failure      **Narrative Developments from Chaucer to Defoe** Gerd Bayer,Ebbe Klitgard,2011-02-22 This collection analyzes how narrative technique developed from the late Middle Ages to the beginning of the 18th century Taking Chaucer s influential Middle English works as the starting point the original essays in this volume explore diverse aspects of the formation of early modern prose narratives Essays focus on how a sense of selfness or subjectivity begins to establish itself in various narratives thus providing a necessary requirement for the individuality that dominates later novels Other contributors investigate how forms of intertextuality inscribe early modern prose within previous traditions of literary writing A group of chapters presents the process of genre making as taking place both within the confines of the texts proper but also within paratextual features and through the rationale behind cataloguing systems A final group of essays takes the implicit notion of the growing realism of early modern prose narrative to task by investigating the various social discourses that feature ever more strongly within the social commercial or religious dimensions of those texts The book addresses a wide range of literary figures such as Chaucer Wroth Greene Sidney Deloney Pepys Behn and Defoe Written by an international group of scholars it investigates the transformations of narrative form from medieval times through the Renaissance and the early modern period and into the eighteenth century      [James Shirley, The Dukes Mistris](#) James Shirley,Kim Walker,1988      *Tudor, a prince of Wales. from a range of developmental and theoretical perspectives the book provides useful insights into subjects including Bullying and abusive relationships Male and female violence and destructiveness Depressive perverse and psychotic states of mind Attacks on therapeutic treatment This book makes a valuable contribution to the attempt to make sense of human aggression destructiveness and violence perpetrated against the self others and reality It will be of great interest to trainee and qualified psychodynamic counsellors psychoanalytic psychotherapists and psychoanalysts
