Dumbing Us Down John Taylor Gatto, 2002-02-01 With over 70 000 copies of the first edition in print this radical treatise on public education has been a New Society Publishers bestseller for 10 years Thirty years in New York City s public schools led John Gatto to the sad conclusion that compulsory schooling does little but teach young people to follow orders like cogs in an industrial machine This second edition describes the wide spread impact of the book and Gatto s guerrilla teaching John Gatto has been a teacher for 30 years and is a recipient of the New York State Teacher of the Year award His other titles include *A Different Kind of Teacher* Berkeley Hills Books 2001 and *The Underground History of American Education* Oxford Village Press 2000 *Dumbing Us Down* John Taylor Gatto, 1992 ***Dumbing Us Down - 25th Anniversary Edition*** John Taylor Gatto, 2017-05-19 Transform your child s education from institutional compliance to intellectual freedom Former New York State Teacher of the Year John Taylor Gatto reveals how compulsory schooling creates dependent workers instead of independent thinkers replacing natural curiosity with rule following conformity Over 30 years of classroom experience led to his revolutionary discovery genius is as common as dirt but conventional education systematically destroys it Why This Educational Awakening Matters Now After 100 years of mandatory schooling literacy rates have dropped families are fragmented and children are increasingly disaffected This isn t failure it s the system working exactly as designed to produce compliant workers rather than creative thinkers What You ll Discover The hidden curriculum that trains children for industrial compliance instead of critical thinking Step by step strategies for transitioning from school based to self directed learning How to identify and nurture your child s natural learning style and interests Practical methods for creating engaging educational experiences without formal curriculum Real world approaches to developing critical thinking problem solving and life skills Community resources and support networks for families choosing educational alternatives 25 Years of Proven Impact This bestseller has guided over 100 000 families toward educational freedom with children achieving remarkable academic and personal success through self directed learning Zachary Slayback Ivy League dropout and tech entrepreneur provides a powerful new foreword demonstrating how Gatto s principles create innovators and leaders Your child s natural love of learning can t wait for education reform Start implementing these time tested strategies immediately to unlock their intellectual potential and creativity Join thousands of families discovering that education works best when it honors children s innate curiosity *Dumbing Us Down* John Taylor Gatto, 1998 *The Underground History of American Education* John Taylor Gatto, 2001 The underground history of the American education will take you on a journey into the background philosophy psychology politics and purposes of compulsion schooling *Free School Teaching* Kristan Accles Morrison, 2007-06-07 Chronicles the author s personal and professional journey within the American educational system *The Alchemy of Illness* Kat Duff, 1993 Illness is a universal experience There is no privilege that can make us immune to its touch We are taught to assume health illnesses being just temporary breakdowns in the well oiled machinery of the body

But illness has its own geography its own laws and commandments At a time when the attention of the whole nation is focused on health care Kat Duff inquires into the nature and function of illness itself Duff a counselor in private practice in Taos New Mexico wrote this book out of her experience with chronic fatigue syndrome but what she has to say is applicable to every illness and every one of us For those who are sick this book offers solace and recognition For those who care for them either physically or emotionally it offers inspiration and compassion Finally this fresh perspective on healing reveals how every illness is a crucible that tries our mettle tests our limits and provides us with an unparalleled opportunity to integrate its lessons into our lives

System vs. Culture: North American Education and Society in the Balance

Frank Pace,2014-05 For 160 years North American children have been subject to compulsory schooling Formal education has evolved some over that time but the end result of said evolution is an educational system which is dysfunctional inefficient and ultimately incapable of delivering on its professed mandates Frank Pace is an educator with years of diverse experience In System vs Culture North American Education and Society in the Balance he looks at the current state of compulsory North American education and sees a system in crisis He examines the history of modern education and dissects the root causes of its profound dysfunction System vs Culture North American Education and Society in the Balance offers some insight into how an alternative model of education might operate and how it would better serve the needs of a changing society and better achieve its purported goals Frank Pace has many important things to say about the state of North American education His arguments are persuasive and lucid and backed up by solid scholarship While the topic is complicated he does a good job breaking it down in a way that is readable and compelling for both education professionals and anyone interested in education and learning

The Naturally Good Man Rod E. Keays,2013-03-13

Men inherit definitions about manhood but many of these definitions no longer fit A society that was once based on power assumptions and stereotypes is changing Few people take time to learn about the history of male oppression the foundations of male masculinity and the evolution of the modern man Join author Rod E Keays as he examines these important topics and more including why boys and men accept certain roles why men bully each other why its important to deal with emotions and why its so hard for men to talk about sexuality Keays explores his own experiences coping with the twists and turns that come with being a man One thing he learns early on is that most men dont talk about their emotional highs and lows As someone who likes to talk openly and frankly he feels isolated but he continues living life on his terms Discover what good men have been doing for thousands of years and how mens groups can help men achieve their goals The world may have its share of problems but The Naturally Good Man continues to contribute to society

The Teacher in American Society Eugene F. Provenzo,2011

Through a wide range of readings this anthology explores the role of teachers in the United States

A Different Kind of Teacher John Taylor Gatto,2001

Gatto analyzes the roots of the modern American education system outlining prescriptions for revitalizing the system advocating greater emphasis on critical analysis creativity practicality and real world exposure in the curriculum

He calls on educators and administrators to acknowledge student s need for a spiritual and ethical framework upon which to build a good life *The Big Book of Home Learning Volume 1 Getting Started* Mary Pride,2000-09 [The Legacy of School for Aboriginal People](#) Bernard Schissel,Terry Wotherspoon,2003 Education is expected to assist students in the development of their personal identities and the achievement of social and economic success Yet the aspirations of Aboriginal students have too often been thwarted by the very structures that are supposed to help them Combining a research study an extensive review of the literature and an analysis of current trends Schissel and Wotherspoon detail the harm done to Aboriginal children and their families not only in the past when residential schools explicitly set out to eliminate Aboriginal identities but also in more recent years when educational systems designed for the mainstream have relegated First Nations students to the sidelines The authors find hope for the future in four experimental programs from Saskatchewan in which severely stressed Aboriginal young people have found nourishment for their self esteem in educational settings that take into account traditional culture and spiritual teachings as well as academic achievement Interviews with Aboriginal students themselves give additional depth to the author s findings *Aboriginal Education in Canada* K. P. Binda,2001 This book was written by Aboriginal and non Aboriginal academics with many years of practical educational experience in Aboriginal communities academic governmental and other institutional settings Aboriginal education in Canada takes a reflective approach within a decolonization framework The authors trace the evolution continuing crisis and aspirations of Aboriginal education in Canada They analyze the contradictions and challenges facing Aboriginal education as educators struggle to overcome prblems and move the field towards parity with the rest of Canada The twelve chapters explore various aspects of Aboriginal education from pre colonial to post modern from early childhood to adulthood from classroom pedagogy to community control Aboriginal education in Canada is indispensable for those studying and working in education as well as anyone who wants to understand Aboriginal struggles for equity and justice Provided by publisher **Battleground** Sandra Mathison,E. Wayne Ross,2008 Alphabetically arranged entries from Academic freedom for K 12 teachers to Knowledge provide information on controversial public education issues in the United States including afterschool programs class size dropouts and more

The Exhausted School John Taylor Gatto,2002 These 13 essays illustrate how education reform actually works Written by award winning teachers and their students these essays present successful teaching methods **Boys Will be Men** Paul Kivel,1999 While the women s liberation movement produced dynamic changes in society s assumptions about girls roles little has changed about our attitude toward the role of boys Yet the cycle of violence and oppression will not stop until boys are raised to become part of the struggle to end it Boys will Be Men is for all parents who have a vision of a society where peace and justice exist for parents raising their sons in economically disadvantaged communities for feminists who feel confused about raising their sons and for parents of color who need to add their sons strength to their communities [The Politics of School Choice](#) Hubert Morken,Jo Renee Formicola,1999-09-08 The Politics of School Choice is the first

comprehensive examination of diverse efforts to promote tax credits public vouchers private scholarships and charter schools Morken and Formicola provide the most current national report on the burgeoning American school choice movement They analyze the strategies and tactics being used by a wide variety of individuals and organizations to leverage change pass laws win court cases and mobilize community support to build successful winning school choice coalitions Based largely on extensive interviews documentary research and surveys this book covers the spectrum of school choice options and shows how they are being promoted in the United States today It explains who the players are what types of programs they endorse and the various rationales behind them The authors report the views of the entrepreneurs religious leaders heads of think tanks and foundations public litigators scholars activists minority leaders and politicians who are in the forefront of providing parents with resources for educational alternatives Finally Morken and Formicola cover the strengths and weaknesses of the school choice issue concluding that the movement has a wide ranging membership that is uneven in its implementation and that it is taking different forms in various regions of the country As the pace of change accelerates and new school choice programs proliferate this study is a critical resource for all those concerned about the present and future status of American education
