Terry O'Neil, 2020-01-31 Most people with an interest in motor sport will be familiar with the acronym N A R T yet few people profess to know too much about the North American Racing Team Starting in the the second half of the 1950s NART existed for three decades during which it experienced successes on the tracks of America and Europe It also suffered financial difficulties and arguments with track organisers This book explains what NART was how it was formed and what it achieved over three decades of competition It wasn't just sports cars that were entered into races NART entered Formula One cars and Formula Junior cars as well Never as financially stable as his rival team owners Chinetti did deals with Ferrari to purchase the latest specification sports cars at the end of a season in order to attract the best drivers to drive for NART It was also an opportunity to lease the cars on a race by race basis an arrangement that appealed to some of Chinetti's clientele Whilst success on the track was significant problems were never far away Working on the cars with a limited number of staff and not receiving spares from Ferrari on time NART always appeared to be in a state of crisis No matter despite the difficulties the formula worked well for Luigi Chinetti and the acronym N A R T has rightly become legendary **Runways & Racers** Terry O'Neil, 2022-02-07 Runways and Racers concentrates on the short transitional period 1952-1954 for sports car racing in America following the ban on public road racing in many of the States The ban left the rapidly expanding Sports Car Club of America with a problem where to hold races At precisely the same time Curtis LeMay head of Strategic Air Command was having problems obtaining funds from Congress to improve conditions on the many air bases located around the country The solution was a marriage of convenience whereby the SCCA was allowed access to active SAC air bases to hold its race programmes In return the SAC base would receive the net profits from the event which would be put into the Airmen's Living Improvement Fund As a result of some initial financial success for the SAC bases the scheme was also adopted by non SAC bases together with regional clubs with the same agreement in place Complaints from airmen alerted Congressman Errett Scrivner to potential irregularities and he ordered an audit to be conducted to ascertain precisely what it was costing the air bases to host the races His findings led to the cessation of the races ordered by Congress The product of a long period of extensive research by the author this book gives a fascinating insight into this two year period complemented by over 150 period pictures many previously unpublished **Two Summers** Robert Ackerson, 2022-05-11 Two Summers offers a fresh revealing and highly personal look at the culture of Grand Prix racing as it was during the 1954 and 1955 championships with individual portraits of the twelve races in which the Mercedes Benz W 196 R participated This book explores the Mercedes Benz W 196 R's historic roots development and its place in Grand Prix racing detailing its triumphs struggles and disappointments as well as the spirited challenges from Maserati Ferrari Gordini and Lancia With carefully crafted observations and conclusions given added drama by richly detailed

illustrations this book captures the energy and dynamic nature of these racing seasons and shows that Juan Fangio was indeed the ultimate master of the art and science of racing a Grand Prix automobile the W 196 R the instrument with which he honed his skills This book captures the decisive moments when victory hanging in the balance tilted in Fangio s favor due to his iron discipline and steady hand on the wheel The W 196 R s racing days may be long gone but the car remains a shining star of Mercedes Benz participation in motor sport heritage events worldwide It is this timeless appeal of the W 196 R that gives Two Summers its vitality charm and enduring attraction *The Volvo Estate Car* Ashley Hollebhone,2022-01-14 A dedicated publication that explains the history of the world s most versatile station wagon a global workhorse and comfortable family vehicle Sweden s answer to Germany s people s car arrived some 20 years earlier and quickly paved the way for safe and dependable vehicles This book chronicles the evolution of the Volvo estate car with every model featured Whether you are a Volvo lover or just have a general interest in cars this book offers an informative and interesting look into a car that has had very little media coverage despite its vast global sales success and the affection with which it is held by so many This new edition has been updated with details of the latest models in 2019 **Cars & Parts** ,2003-07 *Scooter Lifestyle* Ian Grainger,2014-09-16 There has been plenty said and written about scooters over the years but until now there has been no definitive look at the culture surrounding our chosen way of life Many authors have written about mods and the infamous and often over hyped beach battles of the 1960s but hardly any have tried to capture the atmosphere of the modern scene in print We still owe the original mods for fuelling the imagination of past present and future generations and for leaving a rich scooter heritage behind them Although the mod way of life was the spark which lit the fuse for many of us the majority of scooter riders have evolved into lifestyle scooterists We may not dress in a particular style our scooters may not be adorned with lights and mirrors but we still burn with the same passion as our scooter riding ancestors It s over sixty years since the first Italian scooters rolled off the production lines but there is still a buzzing and vibrant lifestyle surrounding them The small capacity machines have overtaken the lives of thousands of us often to the detriment of everything else we hold dear Careers relationships and families have suffered for this overwhelming and expensive addiction An addiction to which there is no cure We live and breathe the sickly sweet smell of synthetic two stroke oil and worship at the altar of our chosen gods Lambretta and Vespa or occasionally Gilera and Italjet Our hands are permanently ingrained with the oily tattoo s of a thousand engine rebuilds and our major organs have suffered the long term effects of our hedonistic lifestyle Including interviews with well known scootering personalities over 150 colour photographs of award winning custom scooters best selling scooter models and information on rallies and events this book is a must have for anyone interested in these fun machines **Subaru Impreza** Brian Long,2006 Perceived as a replacement for the long running Leone the Impreza quickly gained a great reputation through Subaru s successful WRC program This book covers the full story of the Impreza from concept through to the current production car looking at the rally machines along the way

and illustrated throughout with contemporary material Now with over 400 mainly color pictures and significant additional text this is a fantasticwarts and all account of an amazing car Amédée Gordini Roy C. Smith,2022-03-10 This is a story of excitement laughs astonishment and anger a story of the determination of a man with a dream and a passion for motor racing in the big leagues It is the first time that the history of the always under financed Gordini racing team has been documented in English and the first complete story of Gordini himself in any language This volume will appeal to new enthusiasts and old hands of Formula 1 and sports prototype racing especially those who have owned a Gordini badged high performance Renault road car It charts Gordini s early life and beginnings in motorsport up to 1969 when Renault took over the Gordini company keeping his name on all the racing engines until 1986 before finally resurrecting it for a performance version of the Renault Twingo and Clio in 2009 The book is packed with evocative period images from important collections supplementary transcripts in English from many contemporary interviews plus recollections from former employees remembering their time working with Gordini and an exhaustive set of statistics All the way it s a roller coaster of joy despair humour and stunning images The racing legend of Le Sorcier lives on
