Dwarves Deep:

Warrior Brothers Erik Gordon Bainbridge,2006-01-12 Marooned on a primitive planet with his father Cody and his buddy let itinerant monks anoint them as the reincarnations of mythical ancient warriors but the joke turns sour when Tobin is abducted from the planet Rescuing him means treading a treacherous path between myth and reality **Tolkien's Glee** John R. Holmes,2025-11-11 Lovers of Tolkien's works know well his penchant for including song lyrics and verse in his prose This book offers a thorough reading of every piece of verse in the two best known works of J R R Tolkien The Hobbit and The Lord of the Rings beginning with the assumption that they were intended to delight through sound The thoughtful analysis focuses on the music of the songs the sounds of the individual words and the metrical patterns and how they contribute to Tolkien's story and his themes All specialized terms are defined in a glossary and introduced side by side with clear understandable explanations without oversimplification The book discusses influences on Tolkien's verse from classical works Old and Middle English and modern English though source study is expressly avoided **Crusade** James Lowder,2012-09-25 Picking up from where Dragonwall left off the book sheds light on the Cormyrean king masterminding and then leading the crusade in the defense of the entire continent following the invasion of eastern Faerun Ashanath Rashemen and Thesk by Khahan Yamun and the Tuigan horsemen Whereas Horselords looks at the story from the point of view of Koja and the Tuigan and Dragonwall looks at the continuation of the same story from the point of view of General Batu and the Shou Lung Crusade is written from King Azoun's and subsequently the West's perspective In addition there are two parallel stories running the king's relations with Alusair his estranged daughter and the adventures of John Razor a fletcher from Suzail as he takes part in the Crusade **Reign of the Sword** D. J. Morris,2012-05 It was blinding white and the snow and cold stung his hands and face Rai gan pushed onward heading toward the peak As he came closer Z lynch began to call to him and like a window through the snow Rai gan could see the sword so close now sticking out of the snow only a few yards away Rai gan reached for the wicked blade careful not to touch it with his bare hand and pulled it from the ground The cold in his body dispersed The Dread Sword shone evilly in the light and Rai gan found himself within an eye created by its dark energy forcing back the wind and snow In the world of Norwhaithe daemons roam the land a secret society strikes from the shadows and a sinister sword has the power to control and corrupt men's hearts A holy knight named Rai gan and a hard bitten mercenary named Krell try to unravel the secrets of the Dread Sword and attempt to make sure it doesn't fall into the wrong hands In their epic battle against the evil that pervades the world can Rai gan and Krell resist the whisperings of the sword **Norse Mythology** Nolan Lested, Entrigued by the allure of Norse Mythology Feeling lost amidst the enthralling yet intricate tales and legends Looking for a guide that navigates with both clarity and enthusiasm Embark on a journey where mystery and knowledge entwine providing you with a clear path through the enchanting fog of ancient stories and legends I've listened to the silent whispers and loud roars of enthusiasts curiosities and confusions crafting a guide that illuminates the captivating
