Dwarves Of Whiskey Island:

The Dwarves of Whiskey Island S. Andrew Swann,2005-10-04 In this sequel to The Dragons of Cuyahoga political reporter Kline Maxwell receives information about the unexplained suicide of the former City Council President drawing Kline into a case that has dark spells destruction and death written all over it **Dwarves of Whiskey Island** S. Andrew Swann,2005 *Dragons and Dwarves* S. Andrew Swann,2009-08-04 Two novels in one volume An omnibus edition of Dragons of the Cuyahoga and The Dwarves of Whiskey Island Kline Maxwell was a serious political reporter He wasn't interested in working on fuzzy gnome stories or any of the other unbelievable tales that should end up only in sensationalist rags But twelve years ago a magical Portal had opened into Cleveland a Portal that had ruined much of Cleveland's modern day technology even as it released magical energy all over town And suddenly there was a shift in the population as humans fled the burg while dwarves elves dragons ogres gnomes mages and every other denizen of the fantasy realm on the other side of the Portal began moving into town And whether he wanted to or not Maxwell had found himself covering stories that sometimes took him far from his political beat and into way too much danger both magical and mundane Still he took his job seriously and when he was assigned to cover a dragon's death by crash landing into the Cuyahoga he headed over to the accident site with only a few curses But what should have been a simple accident report soon led Maxwell in search of a much bigger story one that would see him kidnapped by elves framed for murder holding secret meetings with dragons and fleeing not only from the cops but from pretty much everybody **Marked** S. Andrew Swann,2019-01-15 This dark portal fantasy introduces Detective Dana Rohan an officer who solves crimes using the Mark that allows her to travel to alternate pasts and futures Detective Dana Rohan has an excellent arrest and conviction rate But even her partner doesn't know the real reason why All her life Dana has borne a Mark of unknown origin that she's kept secret A Mark that allows her to walk into alternate pasts and futures A Mark that allows her to go back and see any crime as it's being committed But the life she's carefully built around this secret ability begins to crumble when she's assaulted by a ragged old man He babbles an incoherent warning that the Shadows are coming right before he is killed by an armored monstrosity out of another century The armored attacker vanishes leaving the old man to die in Dana's arms and she realizes that he bears the same Mark she does Soon Dana finds herself hunted by Shadows coming from out of Chaos She must flee through a host of alternate worlds as she finds out the true meaning of the Mark on her skin and why someone wants to kill her for it **The Moreau Quartet: Volume Two** S. Andrew Swann,2015-10-06 It's 2053 and the US has long since genetically engineered life successfully Moreaus humanoid and animal hybrids and frankensteins genetically manipulated humans live as second class citizens The Moreau Quartet Volume Two brings together two of S Andrew Swann's novels set in the Moreau universe In Emperors of the Twilight Evi is a frankenstein the next step beyond human her physiology bioengineered to make her the best Agency special operative in the business When she's forced to go on the run from an unidentified hit team ready to

Dragon Princess S. Andrew Swann, 2014-05-06 In this humorous and offbeat fantasy magic is rarely perfect heroes are rarely honorable and you just might wake up in a body that's not your own Frank Blackthorne's most recent heist did not end optimally The sacrificial virgin survived but the whole incident left Frank a respectable career thief on the run from a kingdom full of evil cultists eager to replace their sacrifice So when the Court Wizard of Lendowyn Elhared the Unwise comes to him intending to hire someone to save Lendowyn's princess from an evil dragon in return for riches glory and help with the bloodthirsty cultists problem Frank is rightfully suspicious Frank is also not in a position to refuse Perhaps unsurprisingly Frank's rescue fails in an explosion of spectacularly misapplied magic When the dust settles all parties involved find themselves body swapped Frank is left stranded in the Princess Lucille's body halfway across the kingdom The understandably angry Princess Lucille finds herself inhabiting the body of the dragon In order to set things right they will have to team up and face down thugs slavers elvish bookies knights in shining armor an evil Queen and the hordes of the Dark Lord N talc
