Dying Embers An Art Hardin Mystery:

Dying Embers Robert E. Bailey,2012-03-01 Art Hardin retired military intelligence officer turned private investigator is content with his regular caseload involving insurance fraud and employee theft So when a wealthy industrialist approaches Art to find an old flame hes wary of taking on the case Only when pressed by his wife Wendy does Art agree to help but only if the decision to make contact is left to the missing person The former lover a reclusive but prominent artist who has changed her name turns up dead shortly after Art locates her His client charged with murder and his detectives license revoked an angry Hardin finds himself the subject of professional surveillance his office ransacked and his life up for grabs as a shoot out erupts on the street The FBI long on requests and short on information approaches Art for his help to act as bait Seemingly out of options Art agrees but with an ace up his sleeve Aided by an outlaw motorcycle gang Art decides that this time the bait is going to bite back

Dead Bang Robert E. Bailey,2012-03-01 Some secrets age well others tend to fester Art Hardin a private investigator and retired counterintelligence officer is a man of many secrets One of these secrets has fallen into the hands of a local TV muckraker which can cause enough trouble to keep most noir detectives busy for three hundred pages Art s not that lucky Just after Art locks horns with the journalist his wife Wendy takes him to the airport to pick up a young friend returning from a Caribbean vacation Karen Smith deplanes with a fabulous tan a new beau and a suitcase full of money Karen doesnt know about the money but her new Middle Eastern boyfriend does Using a Canadian passport to enter the US he put the money in Karens suitcase so he wouldnt have to carry it through customs After a donnybrook and a shootout at Karen s house the money disappears Lots of people want it Some of them kidnap Karen some of them set off a bomb at the TV station while Art is on the air with the muckraker After that things get nasty

Private Heat Robert E. Bailey,2012-02-01 Private Detective and retired counterintelligence officer Art Hardin usually stays away from the flashy kind of PI work paying his bills by doing surveillance checking up on false disability claims and the like So when the senior partner one of the premier legal firms in Grand Rapids approaches Hardin about a job protecting his niece from her soon to be ex husband for a couple of days Hardin isnt exactly eager to take on the job not the least because the niece herself is under house arrest pending a murder investigation of her former boss and the sudden disappearance of eleven million dollars

Dead Bang Robert Bailey,2007 Private Detective Art Hardin s caseload does not usually involve AK47s but when an Islamic terrorist group uses an unsuspecting family friend to smuggle money into the country and the money disappears Art gets in deeper than ever before As the militant group weaves their way through suburban Michigan in search of their missing money Art finds himself ensnared in a terrorist plot of violence and revenge that endangers his home family and way of life The latest in the acclaimed Art Harding Mystery Series **Dead Bang** is a fast paced thriller that captivates from start to finish

Déjà Noir Robert E. Bailey,2019-08-31 From the award winning author of the Art Hardin series *Private Heat Dying Embers* and *Dead Bang* comes a compelling new mystery D j Noir Ray Kerze hasn t been having

the best time of it His closest friends are the guys in line with him at the liquor store before breakfast He lives in his office in the decaying heart of Detroit and that s only because the building is so far gone no one shows up to collect rent An ex cop turned private investigator he s not so much investigating as drowning himself in whiskey and helping out other struggling denizens of downtown in his sober moments His life becomes a bit more interesting and some might say worth living when a young woman shows up at his office and asks him to kill her She s a paying customer with nearly twelve dollars in cash so first breakfast and then he can figure out why the young woman wants him to do her in It s a novel of murder con jobs and just a little bit of romance full of twists and surprises that will have you wondering about a lot more than whodunit It s highly original narrative structure consistently subordinating events to voices allows Bailey and his readers to inhabit a series of characters that morph from cartoon tough guys and gals to people worth caring about once you get to see them from outside and inside Kirkus Reviews *The New York Times Book Review* ,1936 *Dying Embers* Margaret Murphy,2000 **The Dying Embers** Richard McGrorey,2023-08-31 *Dying Embers* B. E. Sanderson,2015-02-14 Dwelling on the past can be murder Emma Sweet looks more like a trophy wife than a killer but as she watches her cheating husband burn alive in his Mercedes she knows her trophy life is over Every man she ever loved hurt her Now it s time to hurt them back As she travels from state to state crossing a name off her list each time she ends a life she s only one step ahead of Agent Douglas She doesn t care if she gets caught really as long as the last name on her list the first man to break her heart gets the justice he s earned before the law catches up with her With the memory of a fatal house fire looming over her no one can blame Jace Douglas for being pyrophobic but agents with the Serial Crimes Unit don t get to pick and choose assignments When a series of murders all have the same killing signature she can t let the flames of her past interfere with the job Alongside one pushy and altogether too attractive detective she embarks on a cross country manhunt to catch a killer before another man dies
