Dynamic Emotions A Series Of Historical Episodes:

Dynamic Emotions Karl H. Bremer, 2013-10 This is a new release of the original 1928 edition *Dynamic Emotions* Karl H. Bremer, 1928 **The National Union Catalog, Pre-1956 Imprints** Library of Congress, American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee, 1970 *Dynamic Emotions* Karl H. Bremer, 1928 **Monthly Bulletin. New Series** St. Louis Public Library, 1930 **Memory Sites and Conflict Dynamics** Karina V. Korostelina, 2024-10-21 This book explores the ways in which memory sites contribute to the dynamics of identity based conflicts fueling fears and sharpening divisions or promoting commonalities and reducing violence Through an analysis of the dynamics of identity based conflicts the book shows how memory sites become intertwined with the transformations of social boundaries and perceptions of relative deprivation outgroup threat collective axiology and power relations It posits that these two sets of factors the functioning of collective memory as an ideological construct and the transformation of conflictual social relations define the role and influence of memory sites in the dynamics of identity based conflicts Through multiple case studies representing different dynamics dealing with fascist and communist pasts in Italy post colonial relations between South Korea and Japan ethnic conflict in Kosovo and tribal acknowledgment for Native American Nations the book discusses how memory sites contribute to competition over ownership fights for legitimacy claims of entitlements and negative portrayals of the Other In doing so it outlines four major functions of memory sites enhancing ascribing interacting and legitimizing and shows how they contribute to and shape the structure and dynamics of conflict Concentrating on the linkages between memory sites violence prevention and reconciliation the book proposes solutions for promoting peace including the focus on plurality of heritage recognition of fluidity of meanings and resistance to singular interpretations and manipulations by identity entrepreneurs This volume will be of much interest to students of peace and conflict studies memory studies and International Relations in general *Methodological Advances in Research on Emotion and Education* Michalinos Zembylas, Paul A. Schutz, 2016-03-10 This volume presents different conceptual and theoretical frameworks as well as research methods that have helped educational researchers to study emotions It includes innovative approaches that push the methodological boundaries that have served educational researchers until now and proposes new ways of researching emotions in educational contexts In particular this edited volume provides a historical frame for studying emotions It connects theoretical epistemological views with choice of research methods and describes specific methods helpful in doing research on emotions as they are grounded in different theoretical and disciplinary traditions such as psychology philosophy sociology history political science cultural studies and feminist studies Finally it appreciates the contextual and international dimensions of studying emotions in education and contributes to ongoing debates about the implications of our methodological choices for understanding emotion in education This combination of variety timeliness potential for transformation of the field and uniqueness make

this a very valuable resource to introduce new scholars in the field alongside established scholars **Monthly Bulletin** St. Louis Public Library, 1931 Teachers bulletin vol 4 issued as part of v 23 no 9 *American Book Publishing Record Cumulative, 1876-1949* R.R. Bowker Company. Department of Bibliography, 1980 Cumulated Index to the Books , 1938 Education , 1931 Violent America Ariane Chebel d'Appollonia, 2023-02-15 In Violent America Ariane Chebel d'Appollonia counterintuitively analyzes why and how various ethnoracial groups proactively and instrumentally use different forms of violence to achieve their goals Combining a historical analysis spanning the centuries with an examination of contemporary problems she considers how and why ethnoracial groups can be both perpetrators and victims of violence why some minority groups react differently to violence in comparable situations and what the consequences are today for politics in both America and Europe Violent America thus explores the effects of physical and discursive violence on the ways in which ethnoracial groups define themselves Chebel d'Appollonia argues that the use of ethnoracial violence has been and remains an effective identity strategy by which all ethnoracial groups are able to integrate themselves into the mainstream of American society She provides an alternative way of understanding the complex relationship between migrant phobia multiethnic grievances and intergroup conflicts in America *Psychoanalytic Group Dynamics* Saul Scheidlinger, 1980 Behavioral Finance and AI Tools for Sustainability Daidai, Fouad, Benali, Mimoun, Tammine, Larbi, 2025-05-21 When enhanced by artificial intelligence AI behavioral finance can be used to identify trends harmful to sustainability AI allows for the analysis of massive volumes of data to detect behaviors and financial decisions contrary to sustainability principles The integration of behavioral finance principles and artificial intelligence AI tools support economic social and environmental sustainability Behavioral Finance and AI Tools for Sustainability explores how machine learning algorithms sentiment analysis and other technological tools can be used to positively influence financial behaviors and encourage responsible investment practices It delves into the detection of market anomalies and the evaluation of their long term impact on sustainability goals highlighting strategies to address these distortions Covering topics such as cognitive biases financial literacy and global regulation this book is an excellent resource for financial analysts portfolio managers investment advisors regulators policymakers professionals researchers scholars academicians and more The Post-Truth Condition Tarun Jose Kattumana, Simon Truwant, 2024-06-19 The Post Truth Condition Philosophical Reflections edited by Tarun Jose Kattumana and Simon Truwant demonstrates that the absence of a unitary understanding of the phenomenon of post truth stems from the complex nature of the post truth condition itself By approaching post truth as a broad and multi layered societal issue the contributors offer an original contribution to the existing scholarship in three ways First they show that post truth can only be adequately understood if it is viewed not only as a political matter but also as a pervasive cultural phenomenon Secondly the contributors concur that a profound understanding of the post truth condition can only be gained if it is studied through a conceptual empirical and historical lens Lastly they maintain that a productive understanding of the post truth condition also

demands a nuanced and openminded take on both its negative reactionary characteristics and its positive liberating potential
Throughout this volume philosophy of history epistemology philosophy of science political philosophy psychoanalysis
phenomenology and philosophy of art join forces to clarify the pervasive character dangers and opportunities of our post
truth condition
