Proclaiming the Whole Counsel of God Steve D. Eutsler,2025-04-24 For years the best sages have warned Those who fail to plan plan to fail Experience has proven this advice to be true in the spiritual realm as well as in the secular Without careful planning even Pentecostal ministers of the gospel often repeat certain texts or topics while they neglect other critical truths This frequent phenomenon inspired the integrated approach in this project Dr Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time Based on years of practical experience and sound scholarship it combines an emphasis on the guidance of the Holy Spirit along with long range planning After exploring the unique dynamics of Pentecostal preaching he discusses step by step how to increase their implementation on a more consistent basis This volume will benefit both beginning and veteran students of preaching It could easily be used personally or in a classroom setting Those preachers who read and implement its wise counsel will improve the quality creativity and variety of their preaching George O Wood General Superintendent of the Assemblies of God **Sermon Starters for Pastors When Inspiration Ebbs** David W. Orange,2005-11 This book is a compilation of some of the sermons I have written and preached over the last 20 years or so The sermons cover many topics from Christmas to Palm Sunday and other special days The majority of the sermons are messages that I have used on regular Sunday mornings All scriptural quotes are taken from the King James Version of the Bible I wrote these sermons for a time span of about 20 to 30 minutes Preaching Through Mark Barry Davis,J. H. B. Masterman,2014-09-20 Dear Fellow Preacher For most of us one of the most rewarding yet difficult tasks is preparing messages to preach and teach We are honored by God to stand before our congregation each week and we want to give them the very best but with the press of the many demands of ministry sometimes that is difficult to do And if you're like me you prefer writing your own sermons because you have a special connection with your congregation that is hard to reach through a message someone else has written In other words no one knows your people like you do Our book *Preaching Through Mark* gives you a starting point a sermon title a deductive sermon outline and detailed comments with each point that you can edit however you like You are free to fill in the blanks so to speak and add your own meat and potatoes to the mix We invite you to make these messages your own because only you know the people God has called you to preach to Please make sure and study the text surrounding what we have printed here to get a better feel for the context We are honored that you have invested in this book and encourage you to spend some quality time studying Mark's Gospel each week as you prepare There are many spiritual riches to be discovered there May God Bless You
