Chidsey, 1976

Andrew Jackson Peg Robinson, 2018-07-15 Andrew Jackson was one of the most influential presidents in the history of the United States Even in his own day he was a controversial figure and time has only increased the conflict How was Andrew Jackson seen in his own time and how is he seen in ours What actions and beliefs did he represent that are still debated to this day This biography presents readers with compelling details about the life and times of Old Hickory the People's President and examines the conflicts that still divide our nation General Andrew Jackson, Hero of New Orleans and Seventh President of the United States, by Oliver Dyer,... Oliver Dyer, 1891 *Andrew Jackson: A Biography* Linda Przygodski, 2012-07-30 ABOUT THE BOOK The fiery eyes peering from the front of the twenty dollar bill belong to the first president who would've passed one of the major litmus tests for anyone running for President of the United States today Andrew Jackson was the ultimate man of the people and the guy you wanted to have a beer with He was the first common man who ascended to the highest office in the land He was an Everyman who achieved greatness and received his share of scorn for a life and presidency that was anything but ordinary and certainly never dull The nickname Old Hickory explains much about Jackson who was born in South Carolina in 1767 Old Hickory was tough and aggressive a person who wasn't allowed to be a kid for very long because his father died before he was born and he joined the army as a teenager after his mother passed He went off to fight the Revolutionary War and later became America's greatest military hero of the era He fell madly in love only to watch his beloved wife die before he was elected as the 7th President of the United States in 1828 His presidency was filled with upheaval and controversy and he survived the first assassination attempt against a U.S. president That's just scratching the surface of Andrew Jackson's life and impact on the United States Some historians view Jackson as one of the best presidents the U.S. has ever had Others see him as a dictator and one of the worst American leaders Jackson believed in a strong presidency and expanded the power of the office leading critics to dub him a tyrant For

instance he vetoed 12 pieces of legislation more than the first six presidents combined Still he never wavered in his effort to be a man of the people sometimes to a fault Too often he made decisions strictly based on polls which did not yield the result of making him more popular But Andrew Jackson didn't know any other way than to try to stand up for the little guy because essentially that's who he was EXCERPT FROM THE BOOK United States officials could see they had a hero on their hands with Jackson In need of a bona fide military leader and a morale boost the American government promoted Jackson to Major General and placed him in charge of the war effort on the southern front of the United States Jackson immediately went to New Orleans the destination he was called away from at the start of the war Jackson fortified the city and drew a battle line The U S had developed a habit of retreating in the face of fierce fighting during the War of 1812 and the British expected more of the same when they attacked New Orleans The result would be far far different under Jackson's command The British assault failed this time as Jackson and his men stood their ground and drove their enemies back The casualty difference was staggering More than 2 000 British soldiers were killed or wounded Jackson lost just 13 men in the fighting The Battle of New Orleans fought in January 1815 changed the tone of the war and cemented Jackson's reputation as the country's top military leader and flat out hero No American other than George Washington was held in higher regard than Andrew Jackson Jackson was pressed into military action one more time in 1817 when the Native American tribes refused to cede the land given up in the treaty after Horseshoe Bend His strategy to achieve this goal was to attack the Creek and Seminole Indians by invading the Spanish Territory of Florida and showing the military might of the United States He wasn't given explicit orders to do this but was not punished for exceeding his orders either The act further cemented his revered military reputation Jackson was appointed the governor of the Florida Territory and helped oversee the transfer of ownership buy the book to continue reading

Hero Tales of the American Soldier and Sailor as Told by the Heroes Themselves and Their Comrades, 1899 **The Fathers of American Presidents** Jeff C. Young, 2024-10-11 Farmers shopkeepers businessmen politicians the fathers of the presidents of the United States have come from a wide variety of professions and all walks of life In many cases they provided their sons and future presidents with a political philosophy that they carried to the White House In a few instances the politics of the son differed significantly from that of his father This unique reference work provides biographies of both the biological and adoptive fathers of the 41 men who have served as president of the United States Were the personalities of the father and son similar What role did the father play in the son's upbringing How did the father's view influence the son's These questions and others are covered in each entry in addition to the biographical sketches of the fathers of the presidents **Biographical Sketch of the Life of Andrew Jackson, Major-general of the Armies of the United States, the Hero of New-Orleans**, 1823 **Adventures in Reading** Cornelia Spencer Love, 1928 **Correspondence Instruction, 1928-1929** University of North Carolina (1793-1962), 1928 **University of North Carolina Extension Bulletin**, 1928 *Contemporary Southern Literature* Howard Mumford
