Modernism Mario Moroni, Luca Somigli, 2004-01-01 Italian Modernism was written in response to the need for an historiographic and theoretical reconsideration of the concepts of Decadentismo and the avant garde within the Italian critical tradition Focussing on the confrontation between these concepts and the broader notion of international modernism the essays in this important collection seek to understand this complex phase of literary and artistic practices as a response to the epistemes of philosophical and scientific modernity at the end of the nineteenth century and in the first three decades of the twentieth Intellectually provocative this collection is the first attempt in the field of Italian Studies at a comprehensive account of Italian literary modernism Each contributor documents how previous critical categories employed to account for the literary artistic and cultural experiences of the period have provided only partial and inadequate descriptions preventing a fuller understanding of the complexities and the interrelations among the cultural phenomena of the time Creative

Marketing I. Fillis, R. Rentschler, 2005-11-10 Creative Marketing has been written in response to the continued failure to

address the theory practice gap in marketing management The art world is full of creativity yet existing marketing theory continues to prescribe formulaic stepwise processes for marketing success Rather than perpetuating the belief in the value of traditional marketing frameworks this book draws on a diverse range of disciplines to inspire entrepreneurial thinking and practice among those marketers who wish to push the boundaries of knowledge and convention Creative Marketing gets back to how best to support individuals as well as small medium and micro enterprises through new marketing approaches
