

ANDY'S LANDMARK HOUSE

By Hila Colman

Drawings by Fermin Rocker

Andys Landmark House

Terry C. Jones

Andy's Landmark House:

Andy's Landmark House Hila Colman, 1969 When Andy discovers a picture of his condemned neighborhood as it once looked he tries to organize members of the community to save the buildings

Bulldozer Francesca Russello Ammon, 2016-04-26 Although the decades following World War II stand out as an era of rapid growth and construction in the United States those years were equally significant for large scale destruction In order to clear space for new suburban tract housing an ambitious system of interstate highways and extensive urban renewal development wrecking companies demolished buildings while earthmoving contractors leveled land at an unprecedented pace and scale In this pioneering history Francesca Russello Ammon explores how postwar America came to equate this destruction with progress The bulldozer functioned as both the means and the metaphor for this work As the machine transformed from a wartime weapon into an instrument of postwar planning it helped realize a landscape altering culture of clearance In the hands of the military planners politicians engineers construction workers and even children s book authors the bulldozer became an American icon Yet social and environmental injustices emerged as clearance projects continued unabated This awareness spurred environmental preservationist and citizen participation efforts that have helped to slow though not entirely stop the momentum of the postwar bulldozer
