Yahweh Rhoan Flowers,2011-12-30 After Lucifer The Devil was cast from Heaven to live amongst the humans on Earth he began preparing for the day of Gods return The Devil built his church and seduced and persuaded his newfound congregation to worship him over the Lord with promises of wealth and fame beyond their wildest dreams Lucifer used his Illuminati worshipers to construct weapons of mass destruction and build a vast army of warriors in anticipation of the inevitable battle against Heavens Universal Army The Illuminati infiltrated governmental agencies throughout the world and positioned their weapons in the most strategic locations from the highest peaks of the Himalayas to the frozen tundra of Antarctica The human worshipers of Satan however soon discover that their allegiance of Gods adversary is misguided and that his promises cannot be fulfilled since the Lords power is infinite and he is returning to vindicate the Earth from the evil that Lucifer had unleashed

Averis being a special metal made entirely by elves The skirt has individual scaled plates of its own and both the chest plate and skirt together exposed her midsection On her head was a tiara All of the armor was fit perfectly to her small but muscular tone frame Her hair was blond and short barely reaching her elegant shoulders and was combed back She stood there beside the older woman with two elegantly curved shortswords held backward in each hand The army stood in wait on top of a hill overlooking a dark fort a half a mile away surrounded by numerous monsters of many types and configurations but all an ugly twisted human form The two women in front stood there for the longest time saying nothing and not moving an inch All that could be heard was the sound of thunder and the rain hitting their armor Just then the silence was broken by the eldest woman in front She said Neiren The younger woman turned to her in response I want you to do something for me The younger woman looked at her with deep concern

The Armored Angels Christopher Lopez,2022-12-26 An evil dark angel warrior has arrived in our timeline and is determined to create a new civilization by destroying our current one Four girls are chosen to be the new guardians of Earth They must put aside their normal lives and train to protect everyone they love They are given powers armor and powerful weapons and must learn to train like warriors Their mentor is an immortal like angel warrior who has been waiting for the day to have a new team of warriors to train They re dealing with family issues but must also focus on saving our world This new team of warriors will be the ones to defend our planet from any evil forces
