to the family castle in Scotland is shattered by the arrival of Legion Commander North Killian's skills are needed for an urgent time travel assignment. A rogue demon has escaped back in time. He must discover the why and where then stop the demon before it can damage the past and change the future. Killian's girlfriend Chinoah Grace, a Native American shapeshifter, is included in the mission which takes them to the wild west town of Wylder, Wyoming, in 1878. She will have her hands full fitting in and making friends. Nothing is as it seems. They encounter visions, spirit quests, and a mysterious shaman. On top of it all, blending in as a blacksmith is more physically difficult than he imagined. But not as challenging as keeping his hands off his undercover wife. Will they complete their assignment or run out of time? *An Angel on My Shoulder* Lori Szepelak, 2023-06-14. Author Lori Szepelak had always believed in the afterlife and in angels. But where was the proof? Shortly after her mother's death, it appeared unexpectedly in a photograph she had taken while walking in the woods. There in one photo was an aura, and in it, the image of her mother smiling. Other photographs revealed auras too, the proof she believes of the presence of guardian angels guiding and protecting us. Tell your story to others was the clear message she was given and share your photographs as well. *An Angel on My Shoulder* is her response, her gift to the angels who inspired her and compelled the writing of this book. [A Princess With A Purpose](#) Jamie Harris, 2017-04-12. Angel and her brother Caleb moved from Maine to attend George Washington University where Angel was expected to be a star soccer player. Angel hoped to leave her past behind. Upon arrival, she met Michelle, a spunky pre-law student who grew up in Ireland, and her twin sister Shawna from Louisiana. Angel and Michelle became best friends. Michelle's rich father provided a house for his daughters, and they invited Angel and Caleb to live with them. Angel soon realized she can run away from home, but she can't run away from her dreadful past. Angel is fighting for her life, and her only hope is her newfound friend, but will that friendship be strong enough to overcome the evil that's after Angel? **Eye of Light (Book II)** Dawn Ann Totten, 2015-11-23. As a simple guide to assist you in getting the most out of your life and experiences, the Q & A style channeled messages are certain to help you feel less alone and more in control of your relationship and career fumbles and follies. Knowing how to classify your friends, family, and the people who surround you on a daily basis gives incredible clarity to the concerns you may have about who to trust with your dreams and who to keep at a distance. Recognizing who plays the game with you and who sabotages you or plays for another team puts you in the driver's seat. The power to clearly see who supports you, both directly and indirectly, allows you to harness your inner wisdom and serve your self and your purpose better. You will also learn how to cut non-team players, ball hogs, and glory hounds in a non-invasive and unaggressive manner. They will simply slip away, leaving you in a state of faith, trust, and work with mindset. The recap sections throughout part one aid in ease of use and referencing. The last chapter, Exercises and Processes, is all about you. Its purpose is to deepen your inner strength, your connection with Mother Earth, and God Source, and anchor your knowledge of who you are and why you are here. Finally, we address changing your
