The Angel Makers Patti McCracken, 2023-03-14 The Angel Makers is a true crime story like no other a 1920s midwife who may have been the century s most prolific killer leading a murder ring of women responsible for the deaths of at least 160 men The horror occurred in a rustic farming enclave in modern day Hungary To look at the unlikely lineup of murderesses village wives mothers and daughters was to come to the shocking realization that this could have happened anywhere and to anyone At the center of it all was a sharp minded village midwife a smiling Buddha known as Auntie Suzy who distilled arsenic from flypaper and distributed it to the women of Nagyr v Why are you bothering with him Auntie Suzy would ask as she produced an arsenic filled vial from her apron pocket In the beginning a great many used the deadly solution to finally be free of cruel and abusive spouses But as the number of dead bodies grew without consequence the killers grew bolder With each vial of poison emptied a new reason surfaced to drain yet another Some women disposed of sickly relatives Some used arsenic as inheritance powder to secure land and houses For more than fifteen years the unlikely murderers aided death unfettered and tended to it as if it were simply another chore spooning doses of arsenic into soup and wine stirring it into coffee and brandy By the time their crimes were discovered hundreds were feared dead Anonymous notes brought the crimes to light in 1929 As a skillful prosecutor hungry for justice ran the investigation newsmen from around the world including the New York Times poured in to cover the dramatic events as they unfolded The Angel Makers captures in expertly researched detail the entirety of this harrowing story from the early murders to the final hanging the story of one of the most sensational and astonishing murder rings in all of modern history

Wild Mother Dancing Di Brandt, 1993-09-15 *Wild Mother Dancing* challenges the historical absence of the mother who as subject and character has been repeatedly suppressed and edited out of the literary canon In her search for sources for telling the new or old forbidden story against a tradition of narrative absence Brandt turns to Canadian fiction representing a variety of cultural traditions Margaret Laurence Daphne Marlatt Jovette Marchessault Joy Kogawa Sky Lee and a collection of oral interviews about childbirth told by Mennonite women The results broaden enrich and finally recover the motherstory in ways that have revolutionary implications for our institutions
