thousands of years Cross has wandered the earth a mortal soul trapped in the undying body left behind by Christ He s been a thief a con man a soldier and a drunkard He s fought as a slave in the Colosseum and as a knight at King Arthur s side But now he must play the part of reluctant hero as an angel comes to him for help finding the Mona Lisa the real Mona Lisa that inspired the painting Cross s quest takes him into a secret world within our own populated by characters just as strange and wondrous as he is Haunted by memories of Penelope the only woman he truly loved he wants to avenge her death at the hands of his ancient enemy Judas a forgotten god from an ancient time The angel promises to deliver Judas to Cross but nothing is ever what it seems when Judas is involved and when a group of renegade angels looking for a new holy war show up things truly go to hell A deliriously unhinged roller coaster of a novel blending fantasy history horror and humour with the aplomb of an overfull blender but all of it smarter than it truly has any right or need to be National Post Sweeps you up with its gallows humour whether you re revelling in the pleasures of two fisted angel punching action or the cleverly rendered language Quill Quire Takes urban fantasy to a different level with this tale of conspiracy and confession Library Journal
