**Angela's House** was founded by the Policastro family 23 years ago following the tragic crisis they lived through with their daughter Angela. Today, Angela's House stands as a 501(c)3 not-for-profit organization dedicated to assisting families caring for children with special healthcare needs. With a parent based origin and approach, Angela's House assists families caring for children who are medically fragile, chronically ill, or are suffering from a life-threatening illness. We assist families with home care and we also have homes where the children can live.

**Home Care:** We help to coordinate the complex array of home care services needed to support children living at home with their parents. This may include services such as: medical equipment; nursing support; therapies; medications; and working to make the home handicapped accessible. Angela's House is currently providing assistance to 600 children throughout the community, and donations and grants are used to purchase their medical supplies and equipment that are not covered by other means.

**Angela's House** provides special homes that care for medically fragile children who can no longer live at home. The children who live here are cared for in a warm, loving, home environment that is suited to accommodate their complex physical and medical needs. With 24-hour nursing care, Angela's House is currently operating a home in East Moriches, and another in Smithtown. These homes are the first of their kind in New York State. Our newest home is in Secoy Brook and it has the ability to care for children that require ventilator support to assist them with breathing.

For more information regarding our children visit [www.Angelashouse.org](http://www.Angelashouse.org). If you have any questions please contact Bob Policastro, the Executive Director and founder at [bpolicastro@angclashouse.org](mailto:bpolicastro@angclashouse.org) or 631 979-2620.
